

strategic  
*plan*  
for protecting  
michigan's children

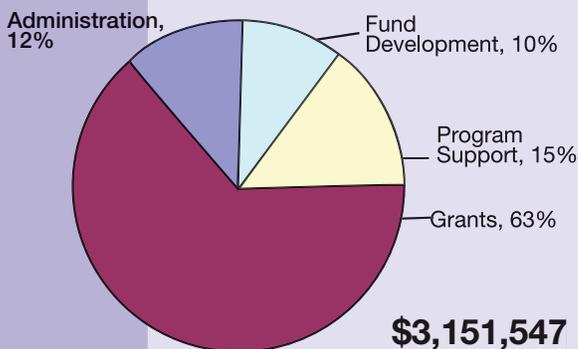

## State Prevention Plan

1. Raise public awareness of child abuse and neglect prevention, and mandated reporting.
2. Foster improved collaboration with new and existing prevention partners at the local, state and national levels.
3. Advocate needed public policy and best practices that address child abuse and neglect.
4. Implement best practices supported by evidence-based and evidence-informed principles.
5. Develop and implement continuous quality improvement practices.

### 2008 CTF Revenues

### 2008 CTF Expenses

6. Facilitate educational and professional development with all partners.
7. Improve funding opportunities for CTF prevention initiatives.
8. Ensure efficient and results-based use of prevention dollars.
