Dear Administrator Hedman:

The Michigan Department of Natural Resources and Environment (DNRE) submits for your approval the enclosed State Implementation Plan (SIP) for Regional Haze as required by Section 169 of the Clean Air Act and the U.S. Environmental Protection Agency's Regional Haze Rule.

The SIP submittal demonstrates that Michigan is meeting its reasonable progress goals and best available retrofit technology plans for the two regional haze Class I areas in Michigan, Isle Royale and Seney Wildlife Refuge.

If you have any further questions regarding this matter, please contact Mr. G. Vinson Hellwig, Chief, Air Quality Division, at 517-373-7069; hellwigv@michigan.gov; or DNRE, P.O. Box 30260, Lansing, Michigan 48909-7760.

Sincerely,

Rebecca A. Humphries
