Lansing, MI 48909-7741

Dear Ms. Miller:

SUBJECT: Dickinson County Solid Waste Management Plan Amendment  
Modification

As a follow up to your letter dated June 23, 2014, the Dickinson County Board of Commissioners respectfully requests the DEQ to issue its approval of the Dickinson County Solid Waste Management Plan (Plan) Amendment, and agrees with the DEQ administratively making the modification as discussed below.

The modification recommended by the DEQ involves the facility description for the Niagara Development, LLC Type III Landfill (Niagara) found on pages II-4 and III-9 of the Plan. Specifically, the stated "Total area sited for use: 29 Acres" in the amendment is in need of modification as it is contrary to the intent of the County.

The intent of the County was to allow for Niagara landfill to expand 68 acres, the total area of property at the facility. The "total area sited for use" acres identified in the Niagara facility descriptions on pages II-4 and III-9 should be changed to 68 acres.

RECORDED

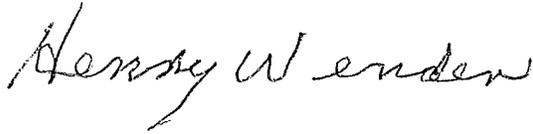

JUL 09 2014

DEEDS

It is clear throughout the Plan document that Niagara is granted certain allowances, but only should the allowance be permitted by the DEQ. Currently, the DEQ has permitted the Niagara landfill for a total of 39 acres. It is the intent of the County that, any Niagara expansion beyond the currently permitted 39 acres would subsequently require additional DEQ permitting.

I believe the enclosed information satisfies the documentation required for your final consideration of our proposed amendment. Should you require additional information, please do not hesitate to contact me at (906) 774-2573.

Sincerely,

A handwritten signature in cursive script that reads "Henry Wender".

Henry Wender, Chairman  
Dickinson County Board of Commissioners
