

**SCRAP TIRE PROGRAM  
COLLECTION SITE VARIANCE**

Part 169, 324.16903(1) reads, in part:

**324.16903 Accumulation of scrap tires outdoors by owner or operator of collection site; compliance; bond required; exception; drawing on bond; notice; order.**

- 1) *A person who owns or operates a collection site where fewer than 2,500 scrap tires are accumulated outdoors shall comply with all of the following:*
  - c) *Subject to subdivision (f), the scrap tires shall be accumulated in piles no greater than 15 feet in height with horizontal dimensions no greater than 200 by 40 feet.*
  - d) *Subject to subdivision (f), the scrap tires shall not be within 20 feet of the property line or within 60 feet of a building or structure.*
  - e) *Subject to subdivision (f), there shall be a minimum separation of 30 feet between scrap tire piles. The open space between the piles shall at all times be free of rubbish, equipment, and other materials.*
  - f) **Scrap tire piles shall be accessible to fire fighting equipment. If the requirement of this subdivision is met, the local fire department that serves the jurisdiction in which the collection site is located may grant a variance from the requirements of subdivision (c), (d), or (e). A variance under this subsection shall be in writing.**

A Scrap tire collection site may request a variance as described in Section 324.16903(1)(f). This variance shall be submitted annually, if necessary, with the Collection Site Registration application (EQP 5134), or upon request of the Department.

Subject to Section 324.16903(1)(f), the scrap tire collection site identified below requests a variance from the following:

- Scrap tires shall be accumulated in piles no greater than 15 feet in height with horizontal dimensions no greater than 200 by 40 feet.
- OR**
- Scrap tires shall not be within 20 feet of the property line or within 60 feet of a building or structure.
- OR**
- There shall be a minimum separation of 30 feet between scrap tire piles. The open space between the piles shall at all times be free of rubbish, equipment, and other materials.

Please describe the reason for the variance:
