Mr. Robert Kaplan
Acting Regional Administrator
United States Environmental Protection Agency, Region 5
77 West Jackson Boulevard (R-19J)
Chicago, Illinois 60604-3507

Dear Mr. Kaplan:

SUBJECT: Addendum to Michigan State Implementation Plan (SIP) submittal for Michigan's 2010 National Ambient Air Quality Standard (NAAQS) Sulfur Dioxide (SO₂) Nonattainment Area

Pursuant to Section 110 of the federal Clean Air Act and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, the Michigan Department of Environmental Quality (MDEQ) is submitting an addendum to "Michigan's 2010 Sulfur Dioxide One-Hour National Ambient Air Quality Standard Nonattainment State Implementation Plan for Wayne County (partial)" to the United States Environmental Protection Agency (USEPA) for review and approval. The original document was submitted to you on May 31, 2016.

This addendum contains final Rule 430 (Appendix E), which is the SO₂ control plan for U.S. Steel. The rule was included in the original SIP document in draft form, awaiting final promulgation. This has now occurred, with June 14, 2016, as the effective date of the rule. Other changes included in this addendum are text revisions on pages 37, 38, 41, and 42 in the original SIP document changing references to Rule 430 from "proposed" to "final" along with the explanatory language. Also, the public hearing notice for the rule has been added to Appendix F as additional documentation of the rulemaking process. Lastly, the Checklist in Appendix L is revised to reflect the promulgation of Rule 430.

This submittal consists of one hard copy of the original SIP document with the revisions noted above and including revised Appendices E, F, and L. This will also be sent to you electronically.

We ask that the USEPA incorporate final Rule 430 and the other revisions in this addendum into the May 31, 2016, SO₂ SIP submittal and approve this revision to the Michigan SIP. Questions on this submittal may be directed to Ms. Lynn Fiedler, Chief, Air Quality Division, at 517-284-6773; fiedlerl@michigan.gov; or MDEQ, P.O. Box 30260, Lansing, Michigan 48909-7760; or you may contact me.

Sincerely,

Keith Creagh
Director
517-284-6700
