LIMITED TREATMENT D1, D2, D3, D4
APPLICATION INSTRUCTIONS FOR THE TYPE I (LEVELS 1-4) MUNICIPAL DRINKING WATER CERTIFICATION EXAMS

APPLICATIONS MUST BE SUBMITTED NO LATER THAN 60 DAYS PRIOR TO THE EXAMINATION.
A COMPLETE LIST OF EXAM DATES AND POST MARK DEADLINES IS AVAILABLE AT
http://www.michigan.gov/deqoperatortraining
(Listed under exam applications and study guides)
LATE APPLICATIONS WILL NOT BE ACCEPTED

NOTE:
The U.S. Postal Service postmark or a postmark from an independent delivery service (U.P.S., Federal Express) will be used to verify that the application has met the deadline for submission. Postmarks by private meter stamps (such as Pitney Bowes) cannot be used as proof of meeting the deadline. **DO NOT wait until the deadline date to apply.**

Applicants must complete the application with the required signatures. Signatures must be original and authentic. **Faxed, e-mailed, or copied exam applications WILL NOT be accepted.**

Incomplete applications will be denied.

**DRINKING WATER EXAM LOCATIONS:**
On the application, please indicate the preferred location of examination and alternate choices. Applicants will be assigned to the location/region requested on a first come first serve basis. Some exam sites have limited seating, and reassignments may be necessary.

**INSTRUCTIONS FOR COMPLETING EXAM APPLICATIONS:**

**Page 1:** Fill out contact information completely, indicate any related certifications held, and circle the classification level(s) you wish to take. Prior approvals, as defined on page 1 of the application, only need to submit the first page of the application.

**Page 2:** Fill out the education information completely. If you completed college, indicate your major, degree received, and year completed.

**Pages 3-5:** Fill out a separate position description page for each position held that is related to drinking water. This page must be completed in its entirety. Indicate the specific dates that the drinking water related work has been performed, even if these dates differ from your date of hire. **The job categories, percentage worked, detailed narrative of your routine job duties, and supervisor signature must be included.** Leaving any portion of the position description page(s) blank will result in the experience not being counted which could result in a denial of application. **A detailed narrative includes an explanation of your routine duties relative to the job category boxes you checked off. Stating “I do it all,” or “I do everything above,” is not sufficient.**

Use the narrative space to detail your experience in limited treatment for potable water only. Treatment experience does not count towards distribution system experience and vice versa. **Leaving the narrative blank will result in an automatic denial.** Keep in mind, it is not possible to work 100 percent in limited treatment and 100 percent in distribution.

**DO NOT INCLUDE THIS PAGE WITH YOUR SUBMITTED APPLICATION**
Instructions for Payment of Examination Fees

The fees for Limited Treatment Drinking Water Certification Exams are:

- **D1, D2, D3, or D4 - $70.00 per exam** (Make Checks Payable to: State of Michigan)

- **Payment by credit card is now accepted online at the following website:**

LIMITED TREATMENT SYSTEM – Provide ONLY job duties that you routinely perform while working in a drinking water LIMITED TREATMENT system. **DO NOT** check off or describe job duties for work activities that you have performed only once or twice or that you perform infrequently. **DO NOT** check off or describe work activities associated with positions or duties you have performed only in a COMPLETE TREATMENT, DISTRIBUTION SYSTEM or WASTEWATER TREATMENT system. Beginning with your current job (job position #1), work backwards listing previous LIMITED TREATMENT system positions that you believe qualify you for operation experience in a drinking water LIMITED TREATMENT system. If you held various positions with the same employer that had different duties or different levels of responsibility, list them as separate job positions. An example of this would be a promotion from general worker to foreman or from foreman to supervisor. For each POSITION, fully describe your job duties in the space provided for job positions 1 and/or 2 and/or 3. Attach additional sheets if you need more space or if you have experience in more than three job positions. Label them as job position 4, 5, etc. There are four drinking water LIMITED TREATMENT system operation job categories. Each job category is divided into specific job duties. Beginning on Page 3, place an “X” next to the activities that you ROUTINELY perform. Applicants performing a majority of activities within a category are credited with a full job category. Applicants ROUTINELY performing at least one, but less than a majority of activities within a category are credited with half a category. **TWO OR MORE** half categories equal **ONE** full category.

SUPERVISORS: If you **DO NOT ROUTINELY** perform the job duties listed and are not a FIRST LINE SUPERVISOR directly overseeing operations in the LIMITED TREATMENT system, **DO NOT CHECK OFF ANY BOXES**. Instead, fully describe your job duties in the space provided AND attach copies of both your position description and your water utility or company organizational chart.

Authority Governing the Certification of Water Works Personnel in Accordance with State Law and Administrative Rules
(Excerpts from the Act and Rules as Amended 12/4/2009)
SAFE DRINKING WATER ACT – 1976 PA 399, as amended

An Act to protect the public health; to provide for supervision and control over public water supplies; to prescribe the powers and duties of the department of environmental quality; to provide for the submission of plans and specifications for waterworks systems and the issuance of construction permits therefore; to provide for the capacity assessments and source water assessments of public water supplies; to provide for the classification of public water supplies and the examination, certification and regulation of persons operating those systems; to provide for continuous, adequate operation of privately owned, public water supplies; to authorize the promulgation of rules to carry out the intent of the act; to create the water supply fund; to provide for the administration of the water supply fund; and to provide penalties.

Sec. 9 (1) The department shall classify public water supplies, including water treatment and distribution systems at community supplies with regard to size, type, location, and other physical conditions for the purpose of establishing the skill, knowledge, and experience that individuals need to maintain and operate the systems effectively.

(4) For individuals meeting the requirements, the department shall issue certificates acknowledging their competency to operate a specified class of waterworks system or portion of waterworks system. The department may suspend or revoke a certificate as specified by rule.

(5) A public water supply shall be under the supervision of a properly certified operator as specified in the rules.

THE RULES TO IMPLEMENT ACT NO. 399, P.A. 1976 - R 325.10101 TO R 325.12606
DEFINITIONS FROM RULE 103.
(d) “Certificate” means a document that is issued by the department to a person who meets the qualification requirements for operating a waterworks system or a portion of the waterworks system.
(e) “Certified operator” means an operator who holds a certificate.
