Building Bat Houses at Porcupine Mountains

Saturday, April 21st, 2018

10 am – 4 pm

Union Bay Campground

107th Engineers Memorial Highway

Ontonagon, MI 49953

Cost: \$45

Park Interpreter Bob Wild will explain the vital role bats play in nature, and master woodworker Dave Rasmussen will guide you as you construct a bat house to take home.

Students can bring safety glasses, hammer and ear protection, or use those the Folk School will provide. Please bring a lunch.

A minimum of 5 students need to be registered by Monday, April 16 in order to hold the class. Maximum of 10 students. To register for this class or for more information about Friends of the Porkies or the Folk School, visit www.porkies.org, call 906-884-7663 or email friendsofporkies@gmail.com

KBIC Environmental Fair

Wednesday, April 11th, 2018

Arrivals between 8:50 am – 2:30 pm

Niiwin Akea Center (KBOCC Baraga Campus)

111 Beartown Road

Baraga, MI 49908

Grades 2-5

The KBIC (Keweenaw Bay Indian Community) Natural Resource Department would like to extend an invitation to participate in our KBIC Environmental Fair. The event provides environmental education to area school children, grades 2-5. What started as a few visits to local school classrooms to discuss environmental issues and share information has grown to an entire day devoted to Environmental Education for over 300 area students.

The event will focus on educating these students about their roles as stewards of the environment and we encourage all participants to provide age appropriate hands-on activities.

For more information on attending and to register, please contact Stephanie Kozich at skozich@kbic-nsn.gov or Katie Kruse at kkruise@kbic-nsn.gov.
