DENNIS AND NANCY SCHREUR, HELENA TOWNSHIP, ANTRIM COUNTY, PERMIT APPLICATION NUMBER 13-05-0069-P. The Water Resources Division has reviewed modified plans submitted March 6, 2015, and is proposing to issue a permit to Dennis and Nancy Schreur. The modified proposal requests the construction of an 80-foot long, 6-foot wide open pile dock, a 36-foot long, 4-foot wide section of dock perpendicular to the main dock, and two 38-foot long, 4-foot wide sections of dock on Clam Lake. Additionally, discharge of 30 cubic yards of peastone to an area 40 feet long by 20 feet wide to a depth of 6 inches below the ordinary high water mark. The DEQ recommends approval of the scaled back modified project from the original proposal of a new 64 feet long by 40 feet wide four slip boathouse. ANNOUNCEMENT – The DEQ’s Office of Environmental Assistance (OEA) now accepts Visa, MasterCard, and Discover for all DEQ/OEA workshop payments!

2015 MONTHLY

2015 MONTHLY CONSTRUCTION STORM WATER OPERATOR/SOIL EROSION INSPECTOR TRAINING, VARIOUS LOCATIONS, MICHIGAN. The DEQ Water Resources Division will be hosting training and exams for Certification as a Construction Storm Water Operator. These half-day sessions will include a training video outlining inspector/certified operator requirements, best practices for soil erosion and sedimentation control, and common compliance problems found on construction sites. Not all information on the test is included in the training, so participants are expected to have read and understand the information presented in the [“Certified Storm Water Operator and Soil Erosion and Sedimentation Control Inspector/Comprehensive Manual”](#) chapters 1-5. The training will be followed by a fifty question, multiple choice exam. A score of 70percent is required to pass and become certified. Complete Training and Exam schedules can be found on the Web at www.michigan.gov/soilerosion and by clicking on the first link under the training header. **Cost: \$95.** Information Contact: **Sarah Ehinger**, WRD, 269-567-3515, or ehingers1@michigan.gov. To register, determine the training date and location you would like to attend and contact the [district staff person](#) for that location.

JUNE 4, 2015

NORTHERN MICHIGAN GREEN INFRASTRUCTURE CONFERENCE, GREAT WOLF LODGE CONFERENCE CENTER, TRAVERSE CITY, MICHIGAN. Save the date! This regional conference expands on the 2014 statewide conference to highlight a broad range of benefits and opportunities provided by green infrastructure (GI) planning and preservation in northern Michigan. A highlight of this conference will be presentations of case studies showcasing how GI is already being used in northern Michigan, creating healthy environments for today's families and future generations. Local Decision-makers will also learn the basics of GI and its multitude of benefits, as well as how working together through partnerships can make GI a success in their own area. Engineers, contractors, and public works employees will also benefit from afternoon sessions on design, installation, and maintenance basics for specific types of GI. Anyone with duties related to land use and stormwater management, local government Decision-makers and engineers, foundations and environmental non-profits, planners, consultants and landscape architects, developers and builders, drain commissioners, road agencies, and conservation organizations should attend this conference. Pre-conference activities taking place June 3rd include an afternoon tour of local GI projects and evening reception at a local brewery. More information is available at www.michigan.gov/deqworkshops, click on "DEQ Workshops." Information Contact: **David Drullinger**, Office of Environmental Assistance, 517-284-6855, or email at drullingerd@michigan.gov. Registration information coming soon.
