AMENDED OPINION AND ORDER

at a session of the Department of Environmental Quality held
at Lansing, Michigan, Harold R. Fitch, Assistant Supervisor
of Wells, Presiding

On December 28, 2017, Petitioner, Trendwell Energy Corporation, filed a Motion to Amend Order No. (A) 11-5-06, effective July 17, 2006. Order No. (A) 11-5-06 (i) established an 80-acre Antrim Shale Formation drilling unit, (ii) ordered the compulsory pooling of all properties, parts of properties and interests within the drilling unit for purposes of drilling the Lyson B1-23 well; and (iii) appointed Trendwell Energy Corporation (Trendwell) as the operator of the Lyson B1-23 well to be drilled within that unit within 90 days from the effective date of that Order.

The Petitioner, in its Motion to Amend Order No. (A) 11-5-06 To Appoint A Successor Operator, states that Trendwell has agreed to assign all of its interests in the unit subject to Order No. (A) 11-5-06, to Breitburn Operating LP (Breitburn), whose address is 707 Wilshire Blvd., 46th Floor, Los Angeles, California 90017. Trendwell requests Breitburn be appointed as successor operator of the Lyson B1-23 unit, and as the successor operator, Breitburn agrees to abide by the terms and provisions of Order No. (A) 11-5-06. The Petitioner was the only party to the hearing. The Petitioner, as directed, served its Motion on all compulsory pooled parties and no responses were received.

DETERMINATION AND ORDER

I have reviewed the Motion To Amend Order No. (A) 11-5-06 To Appoint A Successor Operator submitted by the Petitioner and have determined that Order No. (A) 11-5-06 should be amended.

NOW, THEREFORE, IT IS ORDERED THAT:

Paragraph 3 of the Determination and Order section of the original Opinion and Order effective July 17, 2006, in Cause No. (A) 11-5-06 is hereby amended in its entirety to provide as follows:

3. Breitburn Operating LP is named Successor Operator of the Lyson B1-23 well. The Operator shall commence drilling of the Lyson B1-23 well within 90 days of the effective date of this Order, or the compulsory pooling authorized in this Order shall be null and void as to all parties and interests. This Pooling Order applies to the drilling of the Lyson B1-23 well only.

All other provisions of the original Opinion and Order No. (A) 11-5-06, effective July 17, 2006, are reaffirmed.

DATED: Feb. 23, 2018
