The Michigan Department of Environmental Quality (MDEQ), Remediation and Redevelopment Division (RRD) announces the publication of the [Groundwater Modeling Resource Material](#) document. This is a technical publication providing information on groundwater modeling practices. The document also includes a frequently asked questions section that may be helpful as a reference for projects where groundwater modeling demonstrations are being performed.

This technical publication replaces the rescinded [Operational Memorandum No. 4, Attachment 7 Groundwater Modeling.](#)

For questions, please contact Chris Christensen, Geology Specialist and Groundwater Modeling Technical and Program Support team leader, RRD, DEQ, 616-356-0225, E-mail christensenc@michigan.gov.
