Notice to Impacted Parties of Corrective Action

This information is being sent to notify you that your property is impacted by petroleum products or other regulated substances that were released from an Underground Storage Tank (UST) and to notify you of the steps that are being taken to address the contamination. This information is required to be sent to you under Sections 21309a(3) of Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

Instructions:

An owner or operator that is liable under section 21323a is required by Sections 21309a(3) of Part 213, Leaking Underground Storage Tanks, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, to provide Notice of Corrective Action to each owner of property whose soil and/or groundwater is directly impacted above residential Risk-Based Screening Levels. Owners of property include, but are not limited to, deed holders, easement holders, tenants, utilities, and highway authorities.

Complete and send the Notice to Impacted Parties of Corrective Action Form to the owners of properties impacted by the contamination before submitting the Corrective Action Plan to EGLE, Remediation and Redevelopment Division (RRD). Mark that notification was made on the appropriate Report cover sheets (Question #3) and provide a copy of the Notice of Corrective Action and proof of providing the Notice in the appropriate Report (Final Assessment Report and Closure Report).

Site Information:

Property Owners Name: _____

Property Address: _____

City: _____ ZIP Code: _____ County: _____

Mailing Address: _____

City: _____ State: _____ ZIP Code: _____

- The groundwater at this property is contaminated with petroleum products or other regulated substances.
- The soil at this property is contaminated with petroleum products or other regulated substances.

Type of corrective action(s) or restriction(s) proposed for this release:

Corrective Action Goal/Objective For Your Property:

- Unrestricted Residential** (Petroleum products or other regulated substances would remain at levels that allow for the use of the property for any residential purpose, with no restrictions.)
- Unrestricted Non-Residential** (Petroleum products or other regulated substances would remain at levels that allow for the use of the property for any non-residential purpose, with no restrictions.)
- Restricted Residential** (Petroleum products or other regulated substances would remain at levels that require some restricted use of the property. The property can be used for residential purposes with the appropriate restrictions applied to the deed with the property owner's approval.)
- Restricted Non-Residential** (Petroleum products or other regulated substances would remain at levels that require some restricted use of the property. The property can be used for non-residential purposes with the appropriate restrictions applied to the deed with the property owner's approval.)

This notice does not constitute a warranty or representation of any kind by the State of Michigan that the corrective actions performed in accordance with this notice will result in the achievement of the remedial criteria established by Law, or that the property is suitable for any particular use.

Site release information and corrective action plans are made available to the public at the local Department of Environment, Great Lakes, and Energy (EGLE) [District Office](#).

Submission Information:

This form should be submitted to the EGLE Remediation and Redevelopment Division (RRD), unless regulated by another division in which case contact should be made with that division for information on where to provide the form and report. Submittals to RRD can be provided electronically using the Remediation Information Data Exchange (RIDE). For more information on submitting forms electronically using RIDE, please visit [EGLE's RIDE Webpage](#). Hardcopy submittals should not be provided if RIDE is used to upload the submittal. If the submittal is being provided as a hardcopy only, it can be sent to RRD using the following address:

Michigan Department of Environment, Great Lakes, and Energy
Remediation & Redevelopment Division
PO Box 30426
Lansing, MI 48909-7926

If you need this information in an alternate format, contact EGLE-Accessibility@Michigan.gov or call 800-662-9278.

EGLE does not discriminate on the basis of race, sex, religion, age, national origin, color, marital status, disability, political beliefs, height, weight, genetic information, or sexual orientation in the administration of any of its programs or activities, and prohibits intimidation and retaliation, as required by applicable laws and regulations.

This form and its contents are subject to the Freedom of Information Act and may be released to the public.
