## COMMUNITY MEETING GROUND RULES

1. Community Meetings will start and stop on time. DEQ and Dow staff will be available for one-on-one discussion for about a half hour before and after the meeting.
2. One person speaks at a time after acknowledgment from the facilitator.
3. Respect all attendees.
4. Respect the facilitator's authority.
5. Be honest.
6. Attendee participation is encouraged, but the Community Meeting will follow the agenda and speakers should limit their comments to make sure everyone who wishes to speak has an opportunity to do so.
7. Show sensitivity.
8. Speak up and speak clearly.
9. Community Meetings will be open and transparent.
10. Community Meetings will be recorded by a court reporter and transcripts will be posted on the DEQ's Web site (<http://www.michigan.gov/deqdioxin>; click on the *DEQ/Dow Community Involvement* Quick Link). Meeting agendas and related information are also available at this Web site.
