Fact Sheet – Correction July 9, 2018

Proposed Issuance of a Hazardous Waste Management Facility Operating License Major Modification

Wayne Disposal, Inc., Site #2
Hazardous Waste Landfill Facility
Belleville, Michigan
MID 048 090 633

A mistake was identified and corrected on July 9, 2018. The correction was made in Part II.C: New Facility-Specific License Attachment as follows:

The following item is a facility-specific License attachment modification for the landfill:

- ~~1. Attachment 8, LIST OF ACCEPTABLE TYPES: The waste codes F020-F023, F026-F028, and K099 have been added.~~
1. Attachment 7: Engineering Plans: Proposed liner system has been incorporated into drawings.

To clarify, these waste codes are not included as part of this major modification but were approved in a previous modification.
