¹ Diquat dibromide products are designated as restricted use by the Michigan Department of Agriculture and Rural Development and are only available to certified applicators.

² Certain herbicide labels require or strongly recommend the use of additives to aid herbicide uptake, improve effectiveness, and minimize non-target impacts.

³ Application of Arsenal, Habitat, or Polaris can be made only by federal or state agencies, municipal officials and the U.S. Army Corps of Engineers, or those applicators licensed or certified as aquatic pest control applicators and are authorized by the state or local government.

⁴ The use of water dyes allowed on this General Permit excludes water dyes that are labeled as herbicides (e.g., Aquashade[®], Admiral[®], Pond Care Algae Blocker[®]).
