Date Entered: 12-11-2013

Hogquest, L.L.C.  
5221 136<sup>th</sup> Avenue  
Hamilton, Michigan 49419

---

**ADMINISTRATIVE CONSENT ORDER**

This document results from allegations by the Department of Environmental Quality (DEQ), Water Resources Division (WRD), that Hogquest, L.L.C. (Hogquest) owns and operates a large concentrated animal feeding operation (CAFO) located at 5221 136<sup>th</sup> Avenue, Hamilton, Michigan 49419 (Facility), and is currently in violation of Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA), MCL 324.3101 *et seq.* and the administrative rules promulgated thereunder. Specifically, the DEQ alleges that Hogquest has failed to demonstrate that the waste storage structure(s) at the Facility meet the Natural Resources Conservation Service Conservation Practice Standard No. 313, Waste Storage Facility (NRCS 313), or the environmental performance equivalent to NRCS 313 through the submittal of an evaluation conducted by a licensed professional engineer as required by the National Pollutant Discharge Elimination System (NPDES) Permit No. MIG019000 issued by the WRD to Hogquest for the Facility. The violation of this permit is a violation of state laws set forth in detail within Section I, below.

Hogquest is a person, as defined by Section 301 of the NREPA, and is registered with the Michigan Department of Licensing and Regulatory Affairs as able to conduct business in the State of Michigan under Identification No. B10775. Hogquest and the DEQ agree to resolve the violations set forth herein through entry of this Administrative Consent Order (Consent Order).

## I. STIPULATIONS

Hogquest and the DEQ stipulate as follows:

- 1.1 The NREPA, MCL 324.101 *et seq.*, is an act that controls pollution to protect the environment and natural resources in the state.
- 1.2 Pollution Control, Part 31, Water Resources Protection, of the NREPA (Part 31), MCL 324.3101 *et seq.*, and the rules promulgated pursuant thereto, provides for the protection, conservation, and the control of pollution of the water resources of the state.
- 1.3 Section 3106 of Part 31, MCL 324.3106, states that, "[t]he department shall issue permits that will assure compliance with state standards to regulate municipal, industrial, and commercial discharges or storage of any substance that may affect the quality of the waters of the state."
- 1.4 A large CAFO means 700 or more mature dairy cows; or 1,000 or more cattle other than mature dairy cows; or 2,500 or more swine weighing 55 pounds or more; or 10,000 or more swine weighing less than 55 pounds, 2006 AACS, R 323.2103(g).
- 1.5 All large CAFOs in the state are required to obtain an NPDES permit. Certain large CAFOs are afforded the opportunity to operate under a general permit (MIG019000), as is the case for Hogquest. A Certificate of Coverage (COC) is a facility-specific certificate issued to facilities operating under an NPDES General Permit.

- 1.6 Hogquest was issued COC No. MIG010119 on January 11, 2011, providing coverage under MIG019000. That COC states, "On or before November 30, 2012 all large CAFO waste storage structures at Hogquest Farms shall be constructed in accordance with NRCS standards, set forth in Conservation Practice Standard No. 313, Waste Storage Facility, dated June 2003."
- 1.7 Specifically, the failure to demonstrate construction to NRCS 313 or the environmental performance equivalent is a violation of Part I, Section A.4.a.2b "Structural Design" of NPDES Permit No. MIG019000. The above-referenced permit condition states, in part, at (C) Existing Storage Structures at Previously-Permitted CAFOs:
- "CAFOs previously permitted under General Permit No. MIG019000, issued November 2005, shall comply with the requirements for storage structures as contained in that permit, including NRCS 313 2003 and any compliance dates set forth in the previously-issued COC, unless the Department modified the compliance dates in the reissued COC. Submittals shall be as follows:
- ii) For demonstrations of environmental performance equivalent to NRCS 313 2003 submit the demonstration as accomplished through an evaluation by a professional engineer to the Department, on a form provided by the Department."
- 1.8 From 2010 to the present time, WRD staff has provided guidance on the waste storage structure evaluation requirements during on-site inspections and in written communications.

- 1.9 Hogquest did not submit all of the required equivalency evaluations of the Facility's waste storage structure(s) to the DEQ by the November 30, 2012, deadline.
- 1.10 On January 4, 2013, the WRD issued Hogquest a Violation Notice (VN) No. VN-005470, advising Hogquest of the missed deadline, and to submit the waste storage structure equivalency evaluation(s) by not later than January 18, 2013.
- 1.11 On March 5, 2013, the WRD issued Hogquest a Second Violation Notice (SVN) No. SVN-005470 for failure to submit the waste storage structure equivalency evaluation(s). The WRD further extended a deadline of March 18, 2013 in the SVN to submit the evaluation(s); the WRD did not receive the evaluation(s) by this date.
- 1.12 On or around September 11, 2013, Hogquest hired Engineering and Environmental Solutions, LLC to perform an engineering review of all remaining non-compliant waste storage structures at the Facility.
- 1.13 On October 14, 2013, the WRD received the storage structure evaluations for the Facility, which demonstrated that the structures met the environmental performance equivalent to NRCS 313 2003.
- 1.14 Hogquest consents to the issuance and entry of this Consent Order and stipulates that the entry of this Consent Order constitutes a final order of the DEQ and is enforceable as such under Section 3112(4) of Part 31, MCL 324.3112(4). Hogquest agrees not to contest the issuance of this Consent Order, and that the resolution of this matter by the entry of this Consent Order is appropriate and acceptable. It is also agreed that this Consent Order shall become effective on

the date it is signed by the chief of the WRD, delegate of the director, pursuant to Section 301(b) of the NREPA, MCL 324.301(b).

- 1.15 Hogquest and the DEQ agree that the signing of this Consent Order is for settlement purposes only and does not constitute an admission by Hogquest that the law has been violated.
- 1.16 The Signatory to this Consent Order on behalf of Hogquest agrees and attests that he is fully authorized to assure that Hogquest will comply with all requirements under this Consent Order.
- 1.17 Hogquest shall achieve compliance with the aforementioned regulations in accordance with the requirements contained in Section II, Compliance Program, of this Consent Order.

## **II. COMPLIANCE PROGRAM**

It is therefore agreed and ordered that Hogquest shall take the following actions to comply with Part 31:

- 2.1 Hogquest shall maintain compliance with the terms of the applicable permit and law.
- 2.2 Hogquest shall submit all reports, work plans, specifications, schedules, or any other writing required by this section to the WRD Kalamazoo District Supervisor, 7953 Adobe Road, Kalamazoo, Michigan 49009. The cover letter with each submittal shall identify the specific paragraph and requirement of this Consent Order that the submittal is intended to satisfy.

### **III. DEQ APPROVAL OF SUBMITTALS**

- 3.1 For any work plan, proposal, or other document, excluding applications for permits or licenses, that are required by this Consent Order to be submitted to the DEQ by Hogquest, the following process and terms of approval shall apply.
- 3.2 All work plans, proposals, and other documents required to be submitted by this Consent Order shall include all of the information required by the applicable statute and/or rule, and all of the information required by the applicable paragraph(s) of this Consent Order.
- 3.3 In the event the DEQ disapproves a work plan, proposal, or other document, it will notify Hogquest, in writing, specifying the reasons for such disapproval. Hogquest shall submit, after 30 days of receipt of such disapproval, a revised work plan, proposal, or other document which adequately addresses the reasons for the DEQ's disapproval. If the revised work plan, proposal, or other document is still not acceptable to the DEQ, the DEQ will notify Hogquest of this disapproval.
- 3.4 In the event the DEQ approves with specific modifications a work plan, proposal, or other document, it will notify Hogquest, in writing, specifying the modifications required to be made to such work plan, proposal, or other document prior to its implementation and the specific reasons for such modifications. The DEQ may require Hogquest to submit, prior to implementation and after 30 days of receipt of such approval with specific modifications, a revised work plan, proposal, or other document which adequately addresses such modifications. If the revised work plan, proposal, or other document is still not acceptable to the DEQ, the DEQ will notify Hogquest of this disapproval.

- 3.5 Upon DEQ approval, or approval with modifications, of a work plan, proposal, or other document, such work plan, proposal, or other document shall be incorporated by reference into this Consent Order and shall be enforceable in accordance with the provisions of this Consent Order.
- 3.6 Failure by Hogquest to submit an approvable work plan, proposal, or other document, within the applicable time periods specified above, constitutes a violation of this Consent Order and shall subject Hogquest to the enforcement provisions of this Consent Order, including the stipulated penalty provisions specified in paragraphs 8.2 and 8.3 below.
- 3.7 Any delays caused by Hogquest's failure to submit an approvable work plan, proposal, or other document when due shall in no way affect or alter Hogquest's responsibility to comply with any other deadline(s) specified in this Consent Order.
- 3.8 No informal advice, guidance, suggestions, or comments by the DEQ regarding reports, work plans, specifications, schedules or any other writing submitted by Hogquest will be construed as relieving Hogquest of its obligation to obtain written approval, if and when required by this Consent Order.

#### **IV. EXTENSIONS**

- 4.1 Hogquest and the DEQ agree that the DEQ may grant Hogquest a reasonable extension of the specified deadlines set forth in this Consent Order. Any extension shall be preceded by a written request in duplicate to the DEQ, WRD, Enforcement Unit Chief, Constitution Hall, 525 West Allegan Street, Lansing, Michigan 48909-7773, and the WRD Kalamazoo District Supervisor no later than ten business days prior to the pertinent deadline, and shall include:

- a. Identification of the specific deadline(s) of this Consent Order that will not be met.
- b. A detailed description of the circumstances that will prevent Hogquest from meeting the deadline(s).
- c. A description of the measures Hogquest has taken and/or intends to take to meet the required deadline.
- d. The length of the extension requested and the specific date on which the obligation will be met.

The WRD Kalamazoo District supervisor, in consultation with the Enforcement Unit Chief, shall respond in writing to such requests. No change or modification to this Consent Order shall be valid unless in writing from the DEQ, and if applicable, signed by both parties.

#### **V. REPORTING**

- 5.1 Hogquest shall verbally report any violation(s) of the terms and conditions of this Consent Order to the WRD Kalamazoo District Supervisor by no later than the close of the next business day following detection of such violation(s) and shall follow such notification with a written report within five business days following detection of such violation(s). The written report shall include a detailed description of the violation(s), as well as a description of any actions proposed or taken to correct the violations(s). Hogquest shall report any anticipated violation(s) of this Consent Order to the above-referenced individual in advance of the relevant deadlines whenever possible.

#### **VI. RETENTION OF RECORDS**

- 6.1 Upon request by an authorized representative of the DEQ, Hogquest shall make

available to the DEQ all records, plans, logs, and other documents required to be maintained under this Consent Order or pursuant to Part 31 or its rules. All such documents shall be retained by Hogquest for at least a period of five years from the date of generation of the record unless a longer period of record retention is required by Part 31 or its rules.

#### VII. RIGHT OF ENTRY

- 7.1 Hogquest shall allow any authorized representative or contractor of the DEQ, upon presentation of proper credentials, to enter upon premises of the Facility at all reasonable times for the purpose of monitoring compliance with the provisions of this Consent Order. This paragraph in no way limits the authority of the DEQ to conduct tests and inspections pursuant to the NREPA and the rules promulgated thereunder, or any other applicable statutory provision.

#### VIII. PENALTIES

- 8.1 Hogquest agrees to pay to the State of Michigan **\$4,000.00** in resolution of this matter. Payment shall be made within **30 days** of the effective date of this Consent Order.
- 8.2 For each failure to comply with a provision of Section II or Section III of this Consent Order, Hogquest shall pay stipulated penalties of **\$100.00** per violation per day for 1 to 7 days of violation, **\$250.00** per violation per day for 8 to 14 days of violation, and **\$500.00** per violation per day for each day of violation thereafter.
- 8.3 To ensure timely payment of the above civil fine and stipulated penalties, Hogquest shall pay an interest penalty to the General Fund of the State of Michigan each time it fails to make a complete or timely payment. This interest

penalty shall be based on the rate set forth at MCL 600.6013(8), using the full increment of amount due as principal, and calculated from the due date for the payment until the delinquent payment is finally made in full.

- 8.4 Hogquest agrees to pay all funds due pursuant to this agreement by check made payable to the State of Michigan and delivered to Accounting Services Division, Cashier's Office for the DEQ, P.O. Box 30657, Lansing, Michigan 48909-8157, or hand delivered to the Accounting Services Division, Cashier's Office for the DEQ, 425 W. Ottawa St., Lansing, Michigan 48933. To ensure proper credit, all payments made pursuant to this Consent Order must include the **Payment Identification No. WRD40037**.
- 8.5 Hogquest agrees not to contest the legality of the civil fine or costs paid pursuant to paragraph 8.1 above. Hogquest further agrees not to contest the legality of any stipulated penalties or interest penalties assessed pursuant to paragraphs 8.2 or 8.3, above, but reserves the right to dispute the factual basis upon which a demand by the DEQ for stipulated penalties or interest penalties is made.

#### **IX. FORCE MAJEURE**

- 9.1 Hogquest shall perform the requirements of this Consent Order within the time limits established herein, unless performance is prevented or delayed by events that constitute a "Force Majeure." Any delay in the performance attributable to a "Force Majeure" shall not be deemed a violation of Hogquest's obligations under this Consent Order in accordance with this section.
- 9.2 For the purpose of this Consent Order, "Force Majeure" means an occurrence or nonoccurrence arising from causes not foreseeable, beyond the control of, and without the fault of Hogquest, such as: an Act of God, untimely review of permit

applications or submissions by the DEQ or other applicable authority, and acts or omissions of third parties that could not have been avoided or overcome by Hogquest's diligence and that delay the performance of an obligation under this Consent Order. "Force Majeure" does not include, among other things, unanticipated or increased costs, changed financial circumstances, or failure to obtain a permit or license as a result of Hogquest's actions or omissions.

- 9.3 Hogquest shall notify the DEQ, by telephone, within 48 hours of discovering any event that causes a delay in its compliance with any provision of this Consent Order. Verbal notice shall be followed by written notice within ten calendar days and shall describe, in detail, the anticipated length of delay, the precise cause or causes of delay, the measures taken by Hogquest to prevent or minimize the delay, and the timetable by which those measures shall be implemented. Hogquest shall adopt all reasonable measures to avoid or minimize any such delay.
- 9.4 Failure of Hogquest to comply with the notice requirements and time provisions under paragraph 9.3 shall render this Section IX void and of no force and effect as to the particular incident involved. The DEQ may, at its sole discretion and in appropriate circumstances, waive in writing the notice requirements of paragraph 9.3 above.
- 9.5 If the parties agree that the delay or anticipated delay was beyond the control of Hogquest, this may be so stipulated, and the parties to this Consent Order may agree upon an appropriate modification of this Consent Order. However, the DEQ is the final decision-maker on whether or not the matter at issue constitutes a force majeure. The parties to this Consent Order understand and agree that the final decision by the DEQ regarding a force majeure claim is not subject to judicial review. The burden of proving that any delay was beyond the reasonable

control of Hogquest, and that all the requirements of this Section IX have been met by Hogquest, rests with Hogquest.

- 9.6 An extension of one compliance date based upon a particular incident does not necessarily mean that Hogquest qualifies for an extension of subsequent compliance date without providing proof regarding each incremental step or other requirement for which an extension is sought.

### **X. GENERAL PROVISIONS**

- 10.1 With respect to any violations not specifically addressed and resolved by this Consent Order, the DEQ reserves the right to pursue any other remedies to which it is entitled for any failure on the part of Hogquest to comply with the requirements of NREPA and its rules. Further, the WRD reserves its right to pursue appropriate action, including injunctive relief, to enforce the provisions of this Consent Order.
- 10.2 The DEQ and Hogquest consent to enforcement of this Consent Order in the same manner and by the same procedures for all final orders entered pursuant to Part 31, MCL 324.3101 *et seq.* and enforcement pursuant to Part 17, Michigan Environmental Protection Act, of the NREPA, MCL 324.1701 *et seq.*
- 10.3 This Consent Order in no way affects Hogquest's responsibility to comply with any other applicable state, federal, or local laws or regulations.
- 10.4 The DEQ reserves its right to pursue appropriate action, including injunctive relief to enforce the provisions of this Consent Order, and at its discretion, may also seek stipulated fines or statutory fines for any violation of this Consent Order. However, the DEQ is precluded from seeking both a stipulated fine under this

Consent Order and a statutory fine for the same violation.

- 10.5 Nothing in this Consent Order is or shall be considered to affect any liability Hogquest may have for natural resource damages caused by Hogquest's ownership and/or operation of the Facility. The State of Michigan does not waive any rights to bring an appropriate action to recover such damages to the natural resources.
- 10.6 In the event Hogquest sells or transfers the Facility, it shall advise any purchaser or transferee of the existence of this Consent Order in connection with such sale or transfer. Within 30 calendar days, Hogquest shall also notify the WRD Kalamazoo District Supervisor, in writing, of such sale or transfer, the identity and address of any purchaser or transferee, and confirm the fact that notice of this Consent Order has been given to the purchaser and/or transferee. As a condition of the sale or transfer, Hogquest shall obtain the consent of the purchaser and/or transferee, in writing, to assume all of the obligations of this Consent Order. A copy of that agreement shall be forwarded to the WRD Kalamazoo District Supervisor within 30 days of assuming the obligations of this Consent Order.
- 10.7 The provisions of this Consent Order shall apply to and be binding upon the parties to this action, and their successors and assigns.
- 10.8 This Consent Order constitutes a civil settlement and satisfaction as to the resolution of the violations specifically addressed herein; however, it does not resolve any criminal action that may result from these same violations.

## **XI. TERMINATION**

11.1 This Consent Order shall remain in full force and effect until terminated by a written Termination Notice (TN) issued by the DEQ. Prior to issuance of a written TN, Hogquest shall submit a request consisting of a written certification that Hogquest has fully complied with the requirements of this Consent Order and has made payment of any fines, including interest penalties, required in this Consent Order. Specifically, this certification shall include:

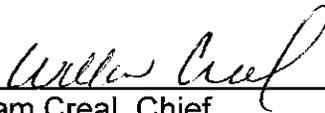

- a. The date of compliance with the provision of the compliance program in Section II, and the date any fines or penalties were paid.
- b. A statement that all required information has been reported to the WRD District Supervisor.
- c. Confirmation that all records required to be maintained pursuant to this Consent Order are being maintained at the Facility.

The DEQ may also request additional relevant information. The DEQ shall not unreasonably withhold issuance of a TN.

**SIGNATORIES**

The undersigned CERTIFY they are fully authorized by the party they represent to enter into this Consent Order to comply by consent and to EXECUTE and LEGALLY BIND that party to it.
