

Exhibit I: Work Plan for Kalamazoo River Wetlands - Contents

1.0 INTRODUCTION

1.1 Annual Reporting

2.0 VEGETATION AND INVASIVE SPECIES SAMPLING AND DATA PROCESSING

2.1 General Approach

2.2 Sampling Plan Detail

2.3 Data Processing

3.0 SOILS AND TOPOGRAPHIC EVALUATION

3.1 Soils Sampling

3.2 Topographic Surveying

3.3 Sampling Locations

3.4 Topography and Soils Data Evaluation and Assessment

4.0 BASE PHASE VEGETATION DATA EVALUATION AND ASSESSMENT

5.0 RESTORATION AND MAINTENANCE MONITORING PHASES

5.1 Restoration Phase Metrics

5.2 Restoration Actions

5.3 Maintenance Phase Metrics

5.4 Termination of Monitoring

5.5 Annual Monitoring Reports

6.0 POTENTIAL SITE VISITS

7.0 RIVER SEGMENT 2

7.1 Introduction

7.2 Methodology

7.3 Performance Standards

7.4 Additional Restoration Actions

7.5 Reporting
