Dear Mr. Bareham:

SUBJECT: Enbridge Energy, Limited Partnership Line 6B: Kalamazoo River Response Actions
MDEQ Consent Judgment Modifications –
Request to Modify Exhibit E and Exhibit G, Court Case No.: 15-1411-CE
Submitted: October 26, 2015

The Michigan Department of Environmental Quality (MDEQ) has reviewed the subject request to modify Exhibit E - Part 201 Reaches and Exhibit G – NFA Report Segment Boundaries. Based upon our review of the subject request and pursuant to Section 27.1 of the May 15, 2015 Consent Judgment (#15-1411-CE) we approve your requested modifications to Exhibit E and Exhibit G. The requested modifications are illustrated on October 26, 2015 updated Exhibit E and Exhibit G figures provided with your request and are generally described as follows:

Modifications to Exhibit E – Part 201 Reaches:

- Modify the reach boundary between Reach 4 and 5. County road A Drive will be the new boundary line between Reach 4 and 5.
- Minor modifications to Reach 9, Reach 12 through and including Reach 18, Reach 22 through and including Reach 24, Reach 47, and Reach 48, to correct for slight adjustments in property boundaries based on legal description and slight adjustments in the thread of the Kalamazoo River where applicable.

Modifications to Exhibit G – NFA Report Segment Boundaries:

- Modify NFA Report Segment 1 to include Reach 2. The submittal date of NFA Report Segment 1 will remain within 365 days after the Effective Date of the MDEQ Consent Judgment.
- Modify NFA Report Segment 3 to only include Reach 3.
- Add a NFA Report Segment that will only include Reach 4. Segment 4 will be used for this report and all of the subsequent Segments will be adjusted accordingly.
