

2017 Soil Erosion Plan Review & Design Training (Classroom Training and Exam)

To register for the Soil Erosion Plan Review & Design training and exam, contact the [District Staff Person](#) for the District offering the exam. Please have your Construction Storm Water Operator certification number available to provide the district staff person registering you. This certification is a prerequisite to taking the Soil Erosion Plan Review and Design exam. You may be allowed to take the Construction Storm Water Operator exam on the same date as the Soil Erosion Plan Review and Design Exam.

Cost: \$225

Note 1: You are expected to read the entire training manual prior to taking the exam; the classroom training will not cover everything on the exam.

Note 2: Bring a **calculator** and **ruler** to the Soil Erosion Plan Review and Design exam.
