Individuals seeking to become Industrial Storm Water (ISW) Certified Operators for the first time must pre-register with an appropriate Registration Contact for the desired training session listed below. Before attending a training session, the individual should review the Water Resources Division (WRD) ISW webpage, specifically the following sections: the ISW Operator Training Manual and review exercise, the visual assessment tutorials, and the industrial activity specific controls section. Please bring a copy of the ISW Operator Training Manual to the training session. A current training manual can be downloaded from the EGLE ISW webpage.

Following the training session the trainee will be required to mail a complete certification application (received at the training session) along with the certification fee of $30 to the address identified on the application. Payment must be in the form of a check. **PAYMENT IS NOT REQUIRED PRIOR TO THE TRAINING SESSION OR WRITING THE EXAM.** Trainees must bring a picture ID (driver license or passport) to the training session. The training and exam will take approximately 4 hours. **All Classes start at 9:00AM.**
