

EBT Food Benefit Issuance Schedule

The day food assistance benefits are available is based on the last digit of the head of household's recipient identification number. The Food Benefit Issuance schedule is listed below. Your benefits will be available on the dates provided in the schedule.

If your Recipient ID number ends with 0, your Food Benefits will be available on the 3rd of the month

If your Recipient ID number ends with 1, your Food Benefits will be available on the 5th of the month

If your Recipient ID number ends with 2, your Food Benefits will be available on the 7th of the month

If your Recipient ID number ends with 3, your Food Benefits will be available on the 9th of the month

If your Recipient ID number ends with 4, your Food Benefits will be available on the 11th of the month

If your Recipient ID number ends with 5, your Food Benefits will be available on the 13th of the month

If your Recipient ID number ends with 6, your Food Benefits will be available on the 15th of the month

If your Recipient ID number ends with 7, your Food Benefits will be available on the 17th of the month

If your Recipient ID number ends with 8, your Food Benefits will be available on the 19th of the month

If your Recipient ID number ends with 9, your Food Benefits will be available on the 21st of the month
