PART 1. GENERAL PROVISIONS FOR ALL CHILDREN

R 400.8101 Definitions.

Rule 101. As used in these rules:

(a) “Accredited college or university” means a college or university that has been accredited by a regional or national institutional accrediting association recognized by the United States department of education.

(b) “Ages” means all of the following:

(i) “Infant” - birth until 1 year of age.

(ii) “Toddler” – 1 year of age until 30 months of age.

(iii) “Preschooler” – 30 months of age until eligible to attend a grade of kindergarten or higher.

(iv) “School-ager” – a child who is eligible to attend a grade of kindergarten or higher, but less than 13 years of age. A child is considered a school-ager on the first day of the school year in which he or she is eligible.

(c) “Caregiver” means a person 18 years of age or older who provides direct care, education, supervision, and guidance of children. A 17-year-old shall qualify as a caregiver if he or she meets 1 of the following:

(i) Has satisfactorily completed at least 1 year of a vocational-occupational child care aide training program approved by the department of licensing and regulatory affairs.

(ii) Has completed 1 year of apprenticeship in a recognized child care apprenticeship program sponsored by the United State department of labor.

(d) “Center” means a child care center or day care center which is a facility other than a private residence, which receives 1 or more children under 13 years of age for care for periods of less than 24 hours a day, and at which the parents or guardians are not immediately available to the children. “Center” includes a facility that provides care for not less than 2 consecutive weeks, regardless of the number of hours of care per day. The facility is generally described as a child care center, day care center, day nursery, nursery school, parent cooperative preschool, prekindergarten, play group, or drop-in center. “Center” does not include any of the following:

(i) A Sunday school, a vacation Bible school, or a religious instructional class which is conducted by a religious organization and at which children are in attendance for not more than 3 hours per day for an indefinite period, or not more than 8 hours per day for a period not to exceed 4 weeks during a 12-month period, or a facility operated by a religious organization where children are cared for not more than 3 hours while persons responsible for the children are attending religious services.

(ii) A special education program or service conducted under the authority of article 3 of 1976 PA 451, MCL 380.1701 to 380.1766.

(iii) A kindergarten operated by a local or intermediate school district under the authority of 1976 PA 451, MCL 380.1 to 380.761 or as part of a nonpublic elementary school. However, this exemption shall not apply to a nonpublic kindergarten operated as part of a center.

(iv) A program that is primarily supervised, school-age-child-focused training in a specific subject, including, but not limited to, dancing, drama, music, or religion. This exclusion applies only to the time a child is involved in supervised, school-age-child-focused training.

(v) A program that is primarily an incident of group athletic or social activities for school-age children sponsored by or under the supervision of an organized club or hobby group, including, but not limited to, youth clubs, scouting, and school-age recreational or supplementary education programs. This exclusion applies only to the time the school-age child is engaged in the group athletic or social activities and if the school-age child can come and go at will.

- (e) “CEU” means a continuing education unit awarded by an accredited college or university sponsor of continuing education units or equivalent awarded by the state board of education.
- (f) “Degrees and semester hours” means only those degrees and hours from an accredited college or university.
- (g) “Department” means the department of human services.
- (h) “Developmentally appropriate” means age appropriate as well as appropriate to the individual child.
- (i) “Easily cleanable” means that surfaces are readily accessible and made of such materials and finish and so fabricated that residue may be effectively removed by normal cleaning methods.
- (j) “Field trip” means children and caregivers leaving the center premises for an excursion, trip, or program activity.
- (k) “First aid kit” means a kit containing, at a minimum, all of the following: sterile gauze pads (assorted sizes), a roll of gauze, adhesive bandages (assorted sizes), adhesive cloth tape, an elastic bandage, tweezers, and scissors. A first aid kit is prohibited from containing any non-prescription or prescription medications as defined under R 400.8152.
- (l) “Group size” means the specified number of children assigned to a caregiver or team of caregivers occupying an individual classroom or well-defined space for each group within a larger room. Two or more groups may be combined for collective activities as long as appropriate child/staff ratios are maintained in the room or area.
- (m) "Licensee designee" means the individual designated in writing by the board of directors of the corporation or by the owner or person with legal authority to act on behalf of the company or organization on licensing matters.
- (n) “Parent” or “parental” means a child’s parent, guardian, or other legally responsible person.
- (o) “Playspace” means a piece or pieces of age-appropriate toys, play equipment, and materials that 1 child can use independently for 15 minutes.
- (p) “Program components” means the different services offered by a center. They include, but are not limited to, infant/toddler, preschool, and school-age care and education; nighttime care; food service; swimming; and transportation.
- (q) “Routine transportation” means regularly scheduled travel on the same day of the week, at the same time, to the same destination.
- (r) “Sanitization” means effective bactericidal treatment by a process that provides enough accumulative heat or concentration of chemicals for enough time to reduce the bacterial count, including pathogens, to a safe level.
- (s) “School” means a building or part of a building which is owned or leased by, or under the control of, a public or private school or school system for the purpose of instruction as required by 1976 PA 451, MCL 380.1561 which is occupied by 6 or more students, and which is used 4 or more hours per day or more than 12 hours per week.
- (t) “Staff” means any compensated employee of the center.
- (u) “Volunteer” means a person 16 years of age or older who is not a compensated employee of the center. Volunteers may be counted in the caregiver-to-child ratios outlined in R 400.8182(3) if they meet the definition of caregiver as defined by subdivision (c) of this rule.
- (v) “Well-defined space” means space designed and used exclusively for a specific group of children.

R 400.8104 Rule variances.

Rule 104. (1) Upon written request of an applicant or licensee, the department may grant a variance from an administrative rule if the alternative proposed provides clear and convincing evidence that the health, welfare, and safety of children is protected.

(2) The decision of the department, including the conditions under which the variance was granted, shall be kept on file at the center.

(3) The granted variance may remain in effect for as long as the licensee continues to comply with the conditions of the variance or may be time-limited.

(4) Variances will not be granted from statutory requirements.

History: Eff. Jan. 2, 2014

R 400.8107 Center license applicant.

Rule 107. (1) A center license applicant shall meet all of the following qualifications:

(a) Be of good moral character as defined in 1974 PA 381, MCL 338.41 to 338.47.

(b) Be suitable to meet the needs of children.

(c) Be able to assure that the proposed services and facilities are conducive to the welfare of children.

(d) Demonstrate a willingness and ability to comply with 1973 PA 116, MCL 722.111 to 722.128, and the rules promulgated under the act.

(2) Before issuance of the original provisional license, a center license applicant shall comply with applicable child care center administrative rules.

History: Eff. Jan. 2, 2014

R 400.8110 Licensee.

Rule 110. (1) The licensee shall do all of the following:

(a) Be of good moral character as defined in 1974 PA 381, MCL 338.41 to 338.47.

(b) Be suitable to meet the needs of children.

(c) Comply with section 5c of 1973 PA 116, MCL 722.115c, requirements for a Michigan department of state police criminal history record check, a criminal records check through the federal bureau of investigation, and a department of human services check for a history of substantiated abuse and neglect.

(d) Be responsible for compliance with 1973 PA 116, MCL 722.111 to 722.128, and the rules promulgated under the act.

(e) Report to the department within 3 business days after any arraignment as indicated in section 5e of 1973 PA 116, MCL 722.115e, and any subsequent conviction.

(2) The licensee shall have the administrative capability to operate the center in order to provide the services and facilities that are conducive to the welfare of children.

(3) The following shall be in a place accessible and visible to parents:

(a) The current license and if applicable, the letter extending the license beyond the expiration date.

(b) A copy of the current child care center administrative rules and a copy of any variances granted.

(c) A notice stating that the center requires a criminal history check on its employees and whether the center requires a criminal history check on its volunteers.

(4) There shall be a licensing notebook on the premises which includes all licensing inspection and special investigation reports and related corrective action plans since May 28, 2010 and a summary sheet outlining the documents contained in the notebook. The notebook shall be made available to parents and prospective parents at all times during the center's normal hours of operation.

(5) The actual number and ages of children in care at any time shall never exceed the number and ages of children for which the center is licensed.

(6) A child shall only be released to persons authorized by the parent.

(7) A child shall be released to either parent unless a court order prohibits release to a particular parent. A copy of the order prohibiting release shall be kept on file at the center.

(8) Within 5 business days, the licensee shall notify the department of the separation of a program director or a central administrator approved by R 400.8113(16) and a plan for replacement of the program director or central administrator.

(9) The licensee shall cooperate with any state or local department or agency inspections or investigations related to the child care license by both of the following:

(a) Providing access to all relevant records, materials, and staff.

(b) Assuring information provided is accurate and truthful.

(10) Written approval from the department shall be obtained before making any changes in the terms of the license, including but not limited to, adding use space, changing age groups served, changing program components, changing the capacity of the center, or making changes to a room or well-defined space that will result in a change in capacity of the room or well-defined space.

(11) The records required by 1973 PA 116, MCL 722.111 to 722.128, and the rules promulgated under the act must be retained and made available to the department upon request for 2 years, except the following:

(a) The name, address, and telephone number for each child enrolled and each employee for at least 2 years after he or she has left the center.

(b) Staff and volunteer health records as required by R 400.8128 and documentation of qualifications shall be retained until that person has left the center.

(c) The licensing notebook shall be maintained and retained until the license is closed.

(12) Smoking shall not occur in or during either of the following:

(a) In the child care center or on real property that is under the control of the center and upon which the center is located.

(b) On field trips and in vehicles when children are present.

R 400.8143 Children's records.

Rule 143. (1) At the time of the child's initial attendance, the center shall obtain a child information card, using a form provided by the department or a comparable substitute, completed and signed by the parent, and the center shall keep it on file and accessible in the center.

(2) Child information cards shall be reviewed and updated by parents at least annually and when the center becomes aware of changes.

(3) At the time of initial attendance, 1 of the following shall be obtained and kept on file and accessible in the center for children under school-age:

(a) A certificate of immunization showing a minimum of 1 dose of each immunizing agent specified by the department of community health.

(b) A copy of a waiver addressed to the department of community health and signed by the parent stating immunizations are not being administered due to religious, medical, or other reasons.

(4) When a child under school-age whose immunizations were not up-to-date at the time of enrollment has been in attendance for 4 months, an updated certificate showing completion of all additional immunization requirements as specified by the department of community health shall be kept on file unless there is a signed statement by a licensed health care provider stating immunizations are in progress.

(5) Under section 9211 of 1978 PA 368, MCL 333.9211(2), immunizations shall be reported to the department of community health for all children enrolled using the method established by the department of community health by October 1 of each year.

(6) Within 30 days of initial attendance, 1 of the following shall be obtained and kept on file and accessible in the center:

(a) For infants: A physical evaluation performed within the preceding 3 months signed by a licensed health care provider. Restrictions shall be noted.

(b) For toddlers: A physical evaluation performed within the preceding 6 months signed by a licensed health care provider. Restrictions shall be noted.

(c) For preschoolers: A physical evaluation performed within the preceding year signed by a licensed health care provider. Any restrictions shall be noted.

(7) Physical evaluations shall be updated as follows:

(a) Yearly for infants and toddlers.

(b) Every 2 years for preschoolers.

(8) Upon enrollment and annually thereafter, the center shall obtain and keep on file at the center a signed statement from the school-age child's parent confirming all of the following:

(a) The child is in good health with activity restrictions noted.

(b) The child's immunizations are up-to-date.

(c) The immunization record or appropriate waiver is on file with the child's school.

(9) The center shall assure that if a parent objects to a physical examination or medical treatment on religious grounds, then the parent provides a signed statement annually that the child is in good health and that the parent assumes responsibility for the child's state of health while at the center.

(10) The center shall maintain an accurate record of daily attendance at the center that includes each child's first and last name and each child's arrival and departure time.

(11) Parent's written permission for the child's participation in field trips shall be obtained at the time of enrollment or before each field trip and kept on file at the center.

Rule 170. (1) As used in this rule:

(a) "Certified playground safety inspector" means an individual certified by the National Playground Safety Institute or the National Program for Playground Safety to conduct playground safety inspections.

(b) "Natural playground" means an outdoor play area that blends natural materials, features, and vegetation.

(2) The outdoor play area shall be considered an outdoor classroom and an extension of the learning environment.

(3) A center operating with children in attendance for 3 or more continuous hours per day shall provide daily outdoor play, unless prevented by inclement weather or other weather conditions that could result in children becoming overheated or excessively chilled.

(4) A center operating with children in attendance for 3 or more continuous hours a day shall have an outdoor play area that has at least 1,200 square feet. More than 1,200 square feet of outdoor play area may be required when the minimum amount is not adequate for the number of children for which the center is licensed.

(5) If outdoor space is not available adjacent to the center, then a center may use a park or other outdoor facility. All of the following shall apply:

(a) The area shall be easily accessible by a safe walking route.

(b) The play area shall be inspected before each use to ensure that no hazards are present.

(c) The location of the alternative outdoor play area shall be specified in writing to the department.

(6) There shall be a shaded area to protect children from excessive sun exposure, when necessary.

(7) The outdoor play area shall be in a safe location.

(8) The outdoor play area shall be protected from hazards, when necessary, by a fence or natural barrier that is at least 48 inches in height.

- (9) Children shall only use age-appropriate equipment.
- (10) An outdoor play area and any equipment located on the center's premises shall be maintained in a safe condition and inspected daily before use to ensure that no hazards are present.
- (11) The playground equipment, use zones, and surfacing in the outdoor play area shall be inspected by a certified playground safety inspector and an approval granted for playground equipment and areas used before issuance of an original provisional license, upon request of the department, and before using any newly added playground equipment. The center shall provide documentation of the inspection to the department upon request and shall keep it on file at the center.
- (12) Loose-fill surfacing material shall not be installed over concrete or asphalt.

R 400.8182 Ratio and group size requirements.

Rule 182. (1) At least 2 adults, 1 of whom is a caregiver, shall be present at all times when at least 3 children between the ages of birth and 3 years of age are present. A second caregiver is required when needed to comply with subrule (3) of this rule.

(2) At least 2 adults, 1 of whom is a caregiver, shall be present at all times when 7 or more children over 3 years of age are present. A second caregiver is required when needed to comply with subrule (3) of this rule.

(3) In each room or well-defined space, the maximum group size and ratio of caregivers to children, including children related to a staff member or the licensee, shall be the following:

	Age	Caregiver to Child Ratio	Maximum Group Size
(a)	Infants and Toddlers, birth until 30 months of age	1 to 4	12
(b)	Preschoolers, 30 months of age until 3 years of age	1 to 8	16
(c)	Preschoolers, 3 years of age until 4 years of age	1 to 10	Not applicable
(d)	Preschoolers, 4 years of age until school-age	1 to 12	Not applicable
(e)	School-agers	1 to 18	Not applicable

(4) Volunteers may be counted in the caregiver to child ratios outlined in subrule (3) of this rule if they meet the definition of caregiver as defined by R 400.8101(c).

(5) Children who have reached 33 months of age may, when developmentally appropriate, be enrolled in a 3-year-old classroom with written parental permission. The ratio listed in subrule (3)(c) of this rule shall apply.

(6) Children who have reached 45 months of age may, when developmentally appropriate, be enrolled in a 4-year-old classroom with written parental permission. The ratio listed in subrule (3)(d) of this rule shall apply.

(7) Children who have reached 57 months of age but who are not considered a school-ager under R 400.8101(b)(iv) may, when developmentally appropriate, be enrolled in a school-age classroom with written parental permission. The ratio listed in subrule (3)(e) of this rule shall apply.

(8) If there are children of mixed ages in the same room or well-defined space, then the ratio and group size shall be determined by the age of the youngest child, unless each group of children is clearly separated and the appropriate caregiver-to-child ratios and group sizes, if applicable, for each age group are maintained.

(9) An exception to the requirements of subrule (3) of this rule may be made when the center is transporting children and is in compliance with R 400.8760(1) and (2).

(2) The center shall permit children under 18 months of age to sleep on demand.

(3) Infants shall rest or sleep alone in cribs or porta-cribs.

(4) Infants shall be placed on their backs for resting and sleeping.

(5) Infants unable to roll from their stomachs to their backs and from their backs to their stomachs shall be placed on their backs when found face down.

(6) When infants can easily turn over from their stomachs to their backs and from their backs to their stomachs, they shall be initially placed on their backs, but shall be allowed to adopt whatever position they prefer for sleep.

(7) For an infant who cannot rest or sleep on her or his back due to disability or illness, written instructions, signed by the infant’s licensed health care provider, detailing an alternative safe sleep position and/or other special sleeping arrangements for the infant shall be followed and on file at the center.

(8) A sleeping infant’s breathing, sleep position, and bedding shall be monitored frequently for possible signs of distress.

(9) An infant’s head shall remain uncovered during sleep.

(10) Toddlers shall rest or sleep alone in cribs, porta-cribs, or on mats or cots.

(11) Infants and toddlers who fall asleep in a space that is not approved for sleeping shall be moved to approved sleep equipment appropriate for their age and size.

(12) Naptime or quiet time shall be provided when children under school-age are in attendance 5 or more continuous hours per day.

(13) Resting or sleeping areas shall have adequate soft lighting to allow the caregiver to assess children.

(14) Video surveillance equipment and baby monitors shall not be used in place of subrule (8) of this rule and R 400.8125(1).

- (b) "Multi-day supply" means for use over a multiple day period, up to 7 days.
- (2) Breast milk, formula, milk, or other beverages provided in a same-day supply shall be furnished daily in either of the following:
 - (a) Clean, sanitary, ready-to-feed bottles or beverage containers.
 - (b) A clean, sanitary, beverage container. The beverage shall be poured into a clean, sanitary bottle or beverage container before each feeding.
- (3) Breast milk, formula, milk, other beverages, and food furnished in a same-day supply shall be covered and labeled with the child's first and last name and the date.
- (4) Any food or beverages furnished in a same-day supply shall be returned to the parent at the end of the day or discarded.
- (5) Milk, other beverages, and non-perishable food items may be furnished in a multi-day supply in an unopened commercial container.

(6) Milk and other beverages furnished in a multi-day supply shall be labeled with the child's first and last name and the date of opening and shall be returned to the parent or discarded 7 days after opening.

(7) Non-perishable food items furnished in a multi-day supply shall be labeled with the date of opening and when applicable, the first and last name of the child for whom its use is intended.

(8) Beverages and food shall be fed only to the child for whom the item is labeled.

(9) Breast milk, formula, and milk shall be refrigerated until used.

(10) Other perishable beverages and food items shall be refrigerated or otherwise kept at a safe temperature until used.

R 400.8350 Toilets; hand washing sinks.

Rule 350. (1) The center shall provide toilet and hand washing sinks as follows:

(a) A center operating with children in attendance less than 5 continuous hours a day shall provide at least 1 toilet and 1 hand washing sink for every 20 children or fraction thereof.

(b) A center operating with children in attendance 5 or more continuous hours a day shall provide at least 1 toilet and 1 hand washing sink for every 15 children or fraction thereof.

(2) After December 6, 2006, any center that is new, adds an infant/toddler component, or increases the licensed infant/toddler capacity shall have a diapering area with a readily accessible, designated hand washing sink.

(3) After December 6, 2006, a separate hand washing sink is required in the kitchen for all of the following:

(a) A new center with a food service component.

(b) A center with a food service component that remodels the kitchen.

(c) Any center that adds a food service component.

(4) Hand washing sinks for children shall be accessible to children by platform or installed at children's level.

(5) Hand washing sinks shall have warm running water not to exceed 120 degrees Fahrenheit.

(6) Soap and single service towels or other approved hand drying devices shall be provided near hand washing sinks.

(7) Toilet rooms for school-age children shall provide for privacy.

R 400.8375 Premises.

Rule 375. (1) The center shall be located on land that provides good natural drainage or that is properly drained.

(2) Stairs, walkways, ramps, landings, and porches shall meet all of the following requirements:

(a) If elevated, shall have barriers to prevent falls and handrails designed and constructed for use by children.

(b) Shall be maintained in a safe condition relative to the accumulation of water, ice, or snow and shall have nonslip surfacing.

(c) Landings shall be located outside exit doors where steps or stairs are necessary and shall be at least as wide as the swing of the door.

(d) Stairway steps shall be not more than 8 inches in height, with a minimum tread depth of 9 inches.

(e) If ramps are used, then they shall have a minimum rise-to-run ratio of 1-to-12.

R 400.8380 Maintenance of premises.

Rule 380. (1) The premises shall be maintained in a clean and safe condition and shall not pose a threat to health or safety.

(2) The premises shall be maintained so as to eliminate and prevent rodent and insect harborage.

(3) Roofs, exterior walls, doors, skylights, and windows shall be weathertight and watertight and shall be kept in sound condition and good repair.

(4) Floors, interior walls, and ceilings shall be kept in sound condition and good repair and shall be maintained in a clean condition.

(5) There shall be no flaking or deteriorating paint on interior and exterior surfaces or on equipment accessible to children.

(6) All toilet room floor surfaces shall be easily cleanable and shall be constructed and maintained so as to be impervious to water.

(7) Light fixtures, vent covers, wall-mounted fans, and similar equipment attached to walls and ceilings shall be easily cleanable and maintained in good repair.

(8) A lead hazard risk assessment shall be completed by a certified lead risk assessor on all centers built before 1978. Any lead hazards identified shall be addressed as noted in the lead hazard risk assessment report before issuance of the original provisional license. The results of the assessment shall be kept on file at the center. Centers licensed before December 7, 2006 have 3 years from the effective date of these rules to comply with this rule. Centers that operate in a school building serving only school-age children are exempt from the requirements in this rule.

(9) As required by section 8316 of 1994 PA 451, MCL 324.8316, the center shall develop and implement an integrated pest management program when pesticide applications occur on the premises. The integrated pest management program shall include, but not be limited to, the following:

(a) An annual notification to parents or guardians informing them that they will receive advance notice of pesticide applications. The annual notice must be provided in September.

(b) The annual notification to parents or guardians specifying 2 methods by which the advance notice of pesticide application will be given.

(c) An advance notice containing information about the pesticide, including the target pest or purpose, approximate location, date of the application, contact information at the center, and a toll-free number for a national pesticide information center recognized by the Michigan department of agriculture.

(d) Liquid spray or aerosol insecticide applications may not be performed in a room of a center unless the room will be unoccupied by children for not less than 4 hours or longer if required by the pesticide label use directions.

R 400.8505 Definitions.

Rule 505. As used in this part:

- (a) “Basement” means a story of a building or structure having ½ or more of its clear height below average grade for at least 50% of the perimeter.
- (b) “Combustible” means materials will ignite and burn when subjected to a fire or excessive heat.
- (c) “Conversion” means to alter the use of an existing building or room to a center.
- (d) “Existing building” means a structure or part of a structure not currently used as a center.
- (e) “Existing licensed center” means a center that was licensed before December 7, 2006 and whose license continues uninterrupted.
- (f) “Exit” means a way of departure from the interior of a building or structure to the open air outside at ground level.
- (g) “Fire alarm” means a device used to alert the occupants of the building of fire or smoke conditions. The device shall be audible in all parts of the building used as a center.
- (h) “Fire alarm system” means an approved electrical closed circuit, self-supervised local system for sounding an alarm. The system is comprised of a central panel, manual pull stations near all outside exits, audible electric signal devices, and where warranted, a remote trouble annunciator. All system components shall be listed by a nationally recognized testing laboratory and installed in accordance with NFPA-72.
- (i) “Fire door assembly” means a side-hinged, labeled fire door and labeled frame constructed and installed in compliance with NFPA-80.
- (j) “Fire-resistance rating” means the time for an element in a building to maintain its particular fire resistance properties in accordance with NFPA-251.

(k) “Fire-resistive construction” means a building having walls, ceilings, floors, partitions, and roof of non-combustible materials having a minimum fire-resistance rating of 1 hour. This subdivision shall not be construed as prohibiting finished wood floors, doors, and windows with assorted frames and trim.

(l) “Flameproof materials” means materials that will not propagate flame under the test conditions of NFPA-701. Flameproof materials are usually combustible materials with the addition of some treatment or coating to modify their burning properties.

(m) “Flammable” means materials capable of being readily ignitable from common sources of heat or at a temperature of 600 degrees Fahrenheit, 316 degrees Celsius, or less.

(n) “Hazard area” means those parts of a center building housing a commercial kitchen, heating plant, fire-fueled water heater, incinerator, or an area posing a higher degree of hazard than the general occupancy of the building.

(o) “Heating plant room” means a room or area housing fuel-fired equipment.

(p) “Interior finish” means the exposed interior surface materials of walls, fixed or movable partitions, and ceilings. This includes drywall, masonry, or wood substructure and surfacing materials such as paneling, tile, or other interior finish material and any surfacing materials, such as paint or wallpaper, applied thereto. Interior finish includes materials affixed to the building structure as distinguished from decorations or furnishings.

(q) “Means of egress” means a minimum of 36 inch wide continuous and unobstructed path of exit travel from any point in a building to the outside at grade.

(r) “New construction” means a created structure, addition, replacement, or alteration of structural components, such as walls.

(s) “Noncombustible” means materials that will not ignite and burn when subjected to fire.

(t) “Protected ordinary construction” means all of the following types of construction:

(i) Roofs and floors and their supports having a minimum of 1-hour fire-resistance rating.

(ii) Exterior bearing walls or bearing portions of exterior walls are of noncombustible or limited combustible materials and have a minimum of 1-hour fire-resistance rating and stability under fire conditions.

(iii) Nonbearing exterior walls are of noncombustible or limited combustible materials.

(iv) Roofs, floors, and interior framing are wholly or partly made of wood of smaller dimension than required for heavy timber construction.

(u) “Standard partition construction” means a substantial smoke-tight assembly consisting of walls, in conjunction with ceilings at which they terminate, that are covered on both sides with minimum standard lath and plaster or ½-inch drywall over 2”x 4” studs. Doorways in these walls are protected with minimum 1¾-inch flush solid core wood doors or 20-minute labeled fire-rated doors and equipped with approved self-closing devices and positive latching hardware. One or more glass panes are permitted in these walls and/or doors if each individual glass panel is fixed pane and not larger than 1,296 square inches of ¼-inch wired glass with no linear dimension longer than 54 inches or fire-rated safety glass, of any size, listed with a minimum fire rating of 45 minutes and installed as listed. In some cases, drywall or plaster is also necessary to protect the underside of stairs.

(v) “Textile material” means having a napped, tufted, looped, woven, non-woven, or similar surface.

(w) “Wired glass” means glass not less than ¼-inch thick, reinforced with wire mesh, number 24 gauge or heavier, with spacing not greater than 1 square inch.

(x) “Wood frame construction” means that type of construction in which exterior walls, bearing walls and partitions, and floor and roof constructions and their supports are made of wood or other combustible material.

R 400.8510 Plans and specifications; submission; approval; inspections.

Rule 5010. (1) A complete set of plans and specifications of any proposed center or proposed addition, alteration, or remodeling to an existing center shall be submitted to the department for review and approval.

(2) Written approval shall be obtained from the department before initiating any construction.

(3) Plans shall bear the seal of a registered architect or engineer when the total cost of the project is \$15,000.00 or more, including labor and materials.

(4) A fire safety inspection shall be conducted by the bureau of fire services or a department-approved qualified fire inspector and an approval granted before issuance of the original provisional license and every 4 years thereafter, at the time of renewal.

(5) If a boiler is used, then it shall be inspected and a certificate provided, as required, by the boiler division, department of licensing and regulatory affairs.

(6) Fuel-fired furnaces shall be inspected before issuance of an original provisional license and every 2 years at renewal by a mechanical contractor licensed by the state of Michigan.

(7) Fuel-fired water heaters shall be inspected before issuance of an original provisional license and every 2 years at renewal by either a mechanical contractor or a plumbing contractor licensed by the state of Michigan.

(8) New furnace and water heater installations shall be either of the following:

(a) Inspected and approved by the department of licensing and regulatory affairs or local mechanical inspecting authorities at the time of installation.

(b) Inspected and approved by a qualified fire safety inspector or the bureau of fire services to ensure continued compliance with appropriate fire safety provisions of these rules.

R 400.8515 Construction.

Rule 515. (1) If child occupancy is limited to the first or main floor, then the building may be of wood frame construction.

(2) If child occupancy is on the second floor, then all of the following are required:

(a) The building be of protected ordinary construction.

(b) All required stairways and vertical openings be enclosed by walls, in conjunction with openings therein, and ceilings at which they terminate that meet the requirements of standard partition construction to provide a protected means of egress to the outside with proper termination to grade.

(c) All door openings contained in subdivision (b) of this subrule meet all of the following requirements:

(i) Be protected with 1³/₄-inch flush solid core wood doors or 20-minute labeled fire-rated doors.

(ii) Be installed in fully stopped smoke-tight, substantial frames.

(iii) Be equipped with approved self-closing devices and non-locking-against-egress positive latching hardware.

(3) If child occupancy is above the second floor, then both of the following shall be required:

(a) The building be of 1-hour fire-resistive construction.

(b) All required stairways and other vertical openings be enclosed by a minimum 1-hour fire-resistive construction to provide a protected means of egress to the outside with proper termination to grade.

(4) If any portion of a basement is used for more than 30 children, then 1 of the following provisions shall be required:

(a) Two enclosed stairways of 1-hour fire-resistant construction shall discharge directly to the outside

with proper termination to grade, and all openings in the stairways shall be protected by a minimum of 1-hour or “B” labeled fire doors and frame assemblies.

(b) One approved exit from the occupied room or use area shall discharge directly to the outside with proper termination to grade. Travel distance from any point in this room or area to this exit shall be less than 50 feet.

(c) Two exits comprised of any combination of subdivisions (a) and (b) of this subrule.

(5) If basement occupancy is limited to not more than 30 children, then the following shall apply:

(a) One of the exits required by subrule (4) of this rule shall discharge directly to the outside with proper termination to grade or through a 1-hour fire-resistive enclosure.

(b) The second exit may terminate at the first floor level with an approved floor separation, meeting the requirements of standard partition construction, between the basement and the first floor.

(c) For new construction and conversions, the separation shall be located at the first floor with travel distance from the door to an approved exit not exceeding 100 feet.

(6) All vertical openings and stairways that are not required shall be constructed and arranged with effective fire and smoke separation under the requirements of standard partition construction. All door openings shall be as follows:

(a) Protected with 1¾-inch flush solid core wood doors or 20-minute labeled fire-rated doors.

(b) Installed in fully stopped smoke-tight substantial frames.

(c) Equipped with approved self-closing devices and non-locking-against-egress positive latching hardware.

R 400.8520 Interior finishes.

Rule 520. (1) The classifications of interior finishes for flame spread and smoke development in Table 1 shall be used as follows:

Class	Flame Spread	Smoke Developed
A OR I	0-25	0-450
B OR II	26-75	0-450
C OR III	76-200	0-450

(2) Basic materials in a means of egress and basement use occupancies shall be class A or I or B or II.

(3) Basic materials in all other areas shall be class C or III.

(4) Interior finish material more hazardous than class C or III shall be prohibited in child use areas.

(5) If an approved automatic sprinkler system is installed and maintained in accordance with NFPA-13 and NFPA-25, then class C or III interior wall and ceiling finish materials shall be permitted in any location where class B or II is required and class B or II interior wall and ceiling finish materials shall be permitted in any location where class A or I is required.

(6) In an existing licensed center or conversion, existing interior finishes which do not comply with the classifications in subrule (1) of this rule may have their surfaces protected with an approved fire-retardant coating to meet the classifications for interior finishes. The coatings shall be applied to interior finishes that are attached to, or furred out not more than 1 inch from a noncombustible backing and applied according to manufacturer’s recommendations. Documentation shall be provided as required by the department.

(7) Interior finish materials of classes B or II and C or III which are less than 1/4 inch in thickness shall be applied directly against a noncombustible backing or shall be furred out not more than 1 inch unless the tests under which such material has been classed were made without a backer.

(8) Centers licensed before December 7, 2006 may retain previously approved fire retardant coated interior finishes.

(9) Textile materials having a class A or I rating and used as an interior finish shall be permitted as follows:

(a) On walls or ceilings of rooms or areas protected by an automatic sprinkler system approved by the department.

(b) On room partitions that are less than $\frac{3}{4}$ of the floor-to-ceiling height not to exceed 8 feet in height.

(c) To extend up to 4 feet above the finished floor on ceiling-height walls and ceiling-height partitions.

(d) Textile materials shall be permitted on walls and partitions where tested in accordance with and meeting the standards of NFPA-265. If compliance is achieved by application of a flame-proofing product in accordance with NFPA-701, documentation shall be provided as required by the department.

(10) Drapery material may be used for stage curtains, room dividers, and similar uses if the material has been tested and approved in accordance with NFPA-701.

(11) Drapery material applied to surfaces of a facility as an interior finish shall meet the requirements of subrule (9) of this rule.

(12) All vinyl and wooden wall dividers shall meet the interior finish requirements of subrules (1), (2), and (3) of this rule, as applicable.

(13) Bulletin boards shall meet the interior finish requirements of subrules (2) and (3) of this rule.

(14) Combustible materials and decorations may be displayed on walls, not to exceed 20% of each wall in each room. Combustible materials and decorations suspended from or near the ceiling are prohibited.

R 400.8525 Exits.

Rule 525. (1) Except as referenced in R 400.8515(4)(b) and 400.8525(2)(c), each occupied floor shall have not less than 2 approved exits directly to the outside with proper termination to grade, remote from each other by 50% of the longest dimension of the floor or area served, and occupied rooms within the center shall be located between means of egress, unless a first floor, self-contained, occupied room has an approved exit direct to the outside with proper termination to grade with a maximum travel distance of 50 feet from the most remote point in the room to the exit.

(2) Travel distance to an exit shall be as follows:

(a) For infants and toddlers, travel shall be 50 feet or less from the door of the occupied room to the exit.

(b) For preschoolers and school-agers, travel shall be 100 feet or less from the door of the occupied room to the exit.

(c) Buildings having complete automatic sprinkler protection may increase their travel distances by 50 feet.

(d) Those areas approved before July 1, 2000 are exempt from the requirements of this rule.

(3) For all centers initially licensed after December 6, 2006, programs with infants and toddlers shall have exits with proper termination and within 30 inches of grade or exits properly ramped to grade.

(4) Exit doors and all doors in the means of egress shall be side-hinged and equipped with knob; lever-type, non-locking-against-egress; or panic-type hardware.

(5) Exit doors and doors in rooms occupied by 21 or more children shall swing in the direction of egress.

(6) Means of egress shall be maintained in an unobstructed, easily traveled condition at all times that the center is in operation. Means of egress shall not be exposed to inherent hazards of the building, including the heating plant, flammable storage, commercial kitchen, or other similar conditions.

(7) In new construction, additions, remodeling, and conversions, there shall be a floor or landing on each side of an exit door. The floor or landing shall be at the same elevation on each side of the door except for variations in elevation due to differences in finish materials, which shall not exceed ½ inch.

(8) In conversions, landings shall have a width not less than the width of the stairway or the width of the door, whichever is greater. Landings shall have a length not less than the width of the door.

(9) In new construction, additions, and remodeling, landings shall comply with the latch-side clearance requirements of sections 404.2.3 through 404.2.3.5 of the international code council/American national standards institute standard A117.1 (ICC/ANSI A117.1), 2003, accessible and usable buildings and facilities. Sections 404.2.3 through 404.2.3.5 of ICC/ANSI A117.1 are hereby adopted by reference. Copies of the adopted matter may be purchased from the international code council at www.iccsafe.org or 1-800-786-4452.

(10) For new construction, additions and remodeling, an exit door shall be not less than 36 inches in width. Doors to multiple-use bathrooms shall not be less than 32 in width.

(11) For the conversion of an existing building, exterior exit doors shall be not less than 36 inches in width. Other use room doors shall be not less than 28 inches in width. Single-use toilet room doors shall not be less than 24 inches in width. Any remodeled door openings, other than door swing, shall comply with subrule (10) of this rule.

(12) Centers licensed before December 7, 2006 may retain previously approved door widths.

(13) Exterior exits shall be marked or denoted by an approved exit sign. All exit signs shall be distinctive in color and shall provide contrast with decorations, interior finish, or other signs. Each exit sign shall have the word “exit” in plain, legible letters not less than 6 inches high on a background of contrasting color with strokes not less than ¾-inch wide.

(14) When nighttime care is provided, the center shall have exits with proper termination and within 30 inches of grade or exits properly ramped to grade.

(15) When nighttime care is provided, exit signs shall be illuminated and emergency lighting provided at exits.

History: Eff. Jan. 2, 2014

R 400.8530 Hazard Areas.

Rule 530. (1) Hazard areas shall be separated from the parts of the building used as a center in the following manner:

(a) In centers licensed before June 4, 1980, areas used for the storage of combustibles and other hazard areas will continue to be approved if they are enclosed with a minimum ¾-hour fire resistive construction and doorways to the areas are protected with a minimum 1¾-inch flush solid core wood or 20-minute labeled fire-rated doors equipped with approved self-closing devices and positive latching hardware.

(b) In centers licensed between June 4, 1980 and July 1, 2000, the following shall apply:

(i) Where the area used for the storage of combustibles exceeds 100 square feet, by construction having a minimum 1-hour fire resistance rating, openings in the separation shall be protected with a minimum of 1-hour or “B” labeled fire door and frame assembly, including an approved self-closing device and positive latching hardware.

(ii) Where the area used for the storage of combustibles does not exceed 100 square feet, by construction having a minimum ¾-hour fire resistance rating, all door openings shall be protected by

minimum 1¾-inch flush solid core wood doors or 20-minute labeled fire-rated doors hung in substantial frames and equipped with approved self-closing devices and positive latching hardware.

(c) In centers licensed after July 1, 2000, the following shall apply:

(i) Where the area used for the storage of combustibles exceeds 100 square feet, by construction having a minimum 1-hour fire resistance rating, openings in the separation shall be protected with a minimum of 1-hour or “B” labeled fire door and frame assembly, including an approved self-closing device and positive latching hardware.

(ii) Where the area used for the storage of combustibles does not exceed 100 square feet, by construction having a minimum 1-hour fire resistance rating. All door openings shall be protected by minimum 1¾ inch flush solid core wood doors or 20-minute labeled fire-rated doors in substantial frames and equipped with approved self-closing devices and positive latching hardware.

(2) Where a kitchen with commercial cooking equipment exposes a required means of egress or child use area, it shall be separated from the remainder of the building with minimum 1-hour fire resistive construction including a minimum of 1-hour or “B” labeled fire door and frame assemblies in all common openings. Kitchens having commercial cooking equipment protected by an approved automatic kitchen hood suppression system are exempt from this requirement.

(3) The use of an incinerator is prohibited.

(4) Heating shall be by a central heating plant or an approved permanently installed electrical heating system. If heating is provided by a central heating plant and located on the same floor that is used for child occupancy, it shall be installed in an enclosure providing not less than a 1-hour fire-resistive separation, including a minimum of 1-hour or “B” labeled fire door and frame assembly equipped with an approved self-closing device and positive latching hardware in any interior door opening. Door openings for heat plant enclosures not located on the same floor that is used for child occupancy may have 1¾-inch flush solid wood core doors or 20-minute labeled fire-rated doors having positive latching hardware and an approved self-closing device. Air for proper combustion, a minimum of 1 square inch per 4,000 BTUs input, shall be provided directly from the outside through a permanently opened louver or metal duct.

(5) In centers licensed before December 7, 2006, a properly installed heating plant located in a basement which is not used for child occupancy does not require additional protection where there is a qualified fire separation and with at least a 1¾-inch flush solid core wood doors or 20-minute labeled fire-rated doors hung in a substantial frame and equipped with an approved self-closing device and positive latching hardware in all stairway openings.

(6) Any fuel-fired water heater or other similar equipment shall be located according to subrule (4) or (5) of this rule, as applicable.

(7) Where electric heating is used, it shall be underwriters’ laboratories, inc. listed, permanent, fixed-type electrical heating such as recognized panel or baseboard fixed-type. Electric heating which complies with this requirement may be installed in any location.

(8) Auxiliary heating units, such as portable combustion or electrical types, are prohibited.

(9) The center shall not store flammable materials, including fuels, pressurized cans, cleaning fluids and supplies, polishes, and matches, in heat plant enclosures. These items may be stored outside of child use areas in metal cabinets or storage facilities accessible only to authorized personnel.

(10) The center shall not store combustible materials within the central heating plant or fuel-fired water heater rooms or in basements containing fuel-fired heating equipment, without a proper fire separation.

(11) The center shall not permit flammable gases, gasoline, or gasoline-powered equipment in the part of a building which is used as a center or in other parts of the building from which there is a door, window, or other opening into the center, unless that part of the building is separated from the remainder of the building by minimum 2-hour fire resistive construction.

(12) If commercial-type laundry equipment is installed, then the equipment shall be enclosed to provide a 1-hour resistance to fire, including a minimum of 1-hour or “B” labeled fire door and frame assembly in an interior door opening which would expose the center.

(13) Dryer vents shall be metal and vented completely to the exterior.

(14) Fire dampers shall not be required in ¾-hour and 1-hour fire-resistive enclosures.

(15) All appliances and equipment in the center shall be installed and maintained in accordance with their manufacturer’s specifications.

(16) Centers shall be kept free of all conditions that constitute fire safety hazards.

R 400.8550 Electrical service.

Rule 550. (1) The electrical service shall be maintained in a safe condition.

(2) For new construction and additions, electrical systems and service shall be inspected and approved by the electrical inspecting authority having jurisdiction. A copy of the certificate of approval shall be maintained at the center at all times.

(3) When warranted, conversions of existing buildings and existing rooms to child care use, as well as existing licensed centers, may require an electrical inspection.

(4) Extension cords, listed by a nationally recognized testing laboratory, and used in accordance with all manufacturer's recommendations, may be used on a temporary basis, and for short periods of time.

(5) All electrical outlets in child use areas for children who are not yet school-age shall be made inaccessible to children.

(6) All electrical outlets in approved child use space located within 6 feet of a sink or other water source shall be protected by a ground-fault circuit interrupter (GFCI).

(7) Power strips shall be equipped with surge protectors and shall not be longer than 6 feet or be connected to another power strip.

PART 4. TRANSPORTATION PROVISIONS

R 400.8701. Definitions.

Rule 701. As used in this part:

(a) “Child passenger restraint device” means a device that is used to restrain a child weighing less than 65 pounds that meets the requirements of federal motor vehicle safety standard no. 213, child seating systems, 49 C.F.R. §571, revised 10-1-2002, and is hereby adopted by reference. Copies of the adopted matter may be obtained at no cost from the United States department of transportation at www.nhtsa.dot.gov/cars/rules.

(b) “Manufacturer’s rated seating capacity” means the number of places or spaces provided by the manufacturer of a vehicle for the driver and passengers to sit while the vehicle is in motion.

(c) “Motor vehicle” means a self-propelled device in which persons are or may be transported upon a highway, which is built on an automobile or truck chassis, which is specifically designed by the manufacturer to transport passengers, or specially modified to transport handicapped passengers, and which meets the safety equipment requirements of the Michigan vehicle code, 1949 PA 300, MCL 257.683 to 257.714b.

(d) “Multifunction school activity bus” means a vehicle rated for 11 or more passengers, including the driver, built after September 2, 2003 to school bus specifications defined in the federal motor vehicle safety standards. A multifunction school activity bus cannot be used for transporting children directly between home, school bus stops, and school.

(e) “Safety belt” means an automobile lap belt or lap-shoulder belt combination designed to restrain and protect a passenger or driver of a vehicle from injury.

(f) “School transportation” means transportation by a public, non-public, or private school.

(g) “Transportation” means the conveyance of children by means of a motor vehicle to or from a center and to and from all activities planned for children by or through the center.

(h) “Volunteer motor vehicle” means a motor vehicle not owned by, leased by, or registered to the center or principle or employee of the center.

R 400.8720 All motor vehicles.

Rule 720. (1) All motor vehicles shall be in safe operating condition.

(2) All motor vehicles, except multifunction school activity buses and school buses inspected by the department of state police as indicated in subrule (3) of this rule, shall be inspected annually by a licensed mechanic. A copy of the inspection shall be kept on file at the center. Volunteer vehicles are not required to be inspected.

(3) Centers that use multifunction school activity buses and school buses shall do all of the following:

(a) Contact the department of state police to determine if an annual inspection by the department of state police is required under section 39 of the pupil transportation act, 1990 PA 187, MCL 257.1839.

(b) If directed by the department of state police, obtain an annual inspection by the department of state police. A copy of the inspection shall be kept on file at the center.

(4) A statement verifying that all motor vehicles, including volunteer vehicles, are in compliance with Michigan vehicle code safety equipment requirements, as defined in 1940 PA 300, MCL 257.683 to 257.714b, shall be kept on file at the center.

(5) The use of passenger vans with a rated seating capacity of 11 or more, including volunteer vehicles, is prohibited.

(6) Multifunction school activity buses used for transporting children to and from school shall comply with all minimum safety specifications, except color, identification, and alternating flashing lights, as defined in 1990 PA 187, MCL 257.1801 to MCL 257.1877.

(7) Motor vehicle seats used by children, staff, and volunteers shall not face sideways.

(8) A truck shall not be used to transport children, except in the cab.

(9) There shall be no loose or heavy objects in the passenger compartment of any motor vehicle.

APPENDIX A

PROMULGATION PROCESS/SUGGESTED CHANGES

The promulgation process is lengthy. This is due, in part, to the Department’s desire to develop rules that are clear, reasonable, necessary, fair and enforceable. Serious consideration is given to the recommendations of the Ad Hoc Committee, licensees, child care organizations, interested citizens, parents, and staff.

In the interest of continuing to serve the public by considering its wishes, the Department welcomes any comments or suggestions that you feel will help improve future revisions of these regulations. Your comments will be reviewed when changes in the rules are being considered. 1973 PA 116 requires the Department to conduct a review of the rules every other year and a major review by an Ad Hoc Committee every five years.

You are invited to send your comments to:

Division Director
Division of Child Care Licensing
Michigan Department of Human Services
PO BOX 30650
Lansing, MI 48909
www.michigan.gov/michildcare

In forwarding comments or suggestions, please use an outline similar to the one below. Send to the Division Director for the Department’s consideration and review.

CONTESTED CASE HEARINGS

Filed with the Secretary of State on September 7, 1999. This rule takes effect 15 days after filing with the Secretary of State.

(By authority conferred on the director of the department of consumer and industry services by section 2 of Act No. 116 of the Public Acts of 1973, as amended, section 10 of Act No. 218 of the Public Acts of 1979, as amended, and Executive Reorganization Order No. of 1996-1, being §§722.112, 400.710, and 330.3101 of the Michigan Compiled Laws)

R 400.1600 Definitions.

Rule 1. (1) As used in these rules:

(a) “Act” means Act No. 116 of the Public Acts of 1973, as amended, being §722.111 et seq. of the Michigan Compiled Laws.

(b) “Act No. 218” means Act No. 218 of the Public Acts of 1979, as amended, being §400.701 et seq. of the Michigan Compiled Laws.

(c) “Noncompliance” means a violation of the act or act 218, an administrative rule promulgated under the act or act 218, or the terms of a license or a certificate of registration.

(d) “Substantial noncompliance” means repeated violations of the act or act 218 or an administrative rule promulgated under the act or act 218, or noncompliance with the act or act 218, or a rule promulgated under the act or act 218, or the terms of a license or a certificate of registration that jeopardizes the health, safety, care, treatment, maintenance, or supervision of individuals receiving services or, in the case of an applicant, individuals who may receive services.

(e) “Willful noncompliance” means, after receiving a copy of the act or act 218, the rules promulgated under the act or act 218 and, for a license, a copy of the terms of a license or a certificate of registration, an applicant or licensee knew or had reason to know that his or her conduct was a violation of the act or act 218, rules promulgated under the act or act 218, or the terms of a license or a certificate of registration.

(2) Except as provided in subrule (1) of this rule, a term defined in Act No. 306 of the Public Acts of 1969, as amended, being §§24.201 et seq. of the Michigan Compiled Laws, shall have the same meaning when used in these rules.

(3) The definitions in this rule apply to matters under the act and act 218 for the contested case hearings.

APPENDIX C

GOOD MORAL CHARACTER

Filed with the Secretary of State on January 12, 1988. These rules took effect 15 days after filing with the Secretary of State.

(By authority conferred on the department of social services by section 9 of Act No. 380 of the Public Acts of 1965, as amended, sections 2 and 5 of Act No. 116 of the Public Acts of 1973, as amended, section 3 of Act No. 381 of Public Acts of 1974, as amended, and sections 5, 10, and 13 of Act No. 218 of the Public Acts of 1979, as amended, being §16.109, 722.112, 722.115, 338.43, 400.705, 400.710, and 400.713 of the Michigan Compiled Laws)

R 400.1151 License issuance.

Rule 1. (1) A license, approval, or registration for a child care organization, as defined by Act No. 116 of the Public Acts of 1973, as amended, being §722.111 et seq. of the Michigan Compiled Laws, or an adult foster care facility, as defined by Act No. 218 of the Public Acts of 1979, as amended, being §400.701 et seq. of the Michigan Compiled Laws, shall not be issued by the department of social services if the license applicant lacks good moral character.

(2) For the purposes of criminal background investigations, “license applicant” means a licensee, a registrant, or a person with direct responsibility for daily operation of the facility to be licensed or approved.

R 400.1152 Offenses evidencing lack of good moral character; applicability.

Rule 2. (1) The following offenses presume a lack of good moral character for purposes of issuing an original or renewal license, a certificate of registration, or an approval to a child care organization, as defined by Act No. 116 of the Public Acts of 1973, as amended, being §722.111 et seq. of the Michigan Compiled Laws, and for issuing an original or renewal license to an adult foster care facility, as defined by Act No. 218 of the Public Acts of 1979, as amended, being §722.111 et seq. of the Michigan Compiled Laws, and for issuing an original or renewal license to an adult foster care facility, as defined by Act No. 218 of the Public Acts of 1979, as amended, being §400.701 et seq. of the Michigan Compiled Laws:

(xiv) Attempts to commit any of the offenses specified in paragraphs (i), (ii), and (iii) of this subdivision.

(2) The department of social services shall provide the license applicant with written notice regarding the findings as identified in subrule (1) of this rule as evidencing a lack of good moral character.

(3) The license applicant shall be afforded the opportunity to have an informal conference with department of social services representatives to demonstrate that he or she is of good moral character

(4) Where an offense or offenses identified in subrule (1) of this rule exist, and license issuance or a certificate of registration is still recommended, the recommendation shall be reviewed by the department's administrative licensing officials for a final determination as to the issuance of a license or certificate of registration.

(5) The department of social services shall provide the license applicant with a written response, as soon as practicable after the review, indicating the determination of the licensing representative.

(6) The department of social services shall provide a license applicant with written notice regarding appeal rights if applicable as provided by act No. 306 of the Public Acts of 1969, as amended, being §24.201 et seq. of the Michigan Compiled Laws, Act No. 116 of the Public Acts of 1973, as amended, being §722.111 et seq. of the Michigan Compiled Laws, and Act No. 218 of the public Acts of 1979, as amended, being §400.701 et seq. of the Michigan Compiled Laws, when there is official notification of the intent to deny the issuance of a license or certificate of registration to an applicant or registrant based upon the license applicant's lack of good moral character.

R 400.1153 Denial of license renewal based upon previously reviewed convictions prohibited; exception.

Rule 3. The department shall not deny the license or certificate of registration renewal of a current licensee or registrant based upon convictions which had been reviewed when the license or certificate was issued. However if new findings or new convictions are disclosed, the department will consider previously reviewed convictions when deciding to approve or deny the license or certificate renewal application of a current licensee.

Department of Human Services (DHS) will not discriminate against any individual or group because of race, religion, age, national origin, color, height, weight, marital status, sex, sexual orientation, gender identity or expression, political beliefs or disability. If you need help with reading, writing, hearing, etc., under the Americans with Disabilities Act, you are invited to make your needs known to a DHS office in your area.
