

A Dress To Remember!

Donate a new or previously worn prom dress and help a teen in foster care and other disadvantaged youth find that perfect gown for prom!

Shoes, jewelry, purses, and salon/tuxedo gift certificates accepted too!

Every teen looks forward to attending prom, but many simply cannot afford to purchase the necessary formal wear to attend this once-in-a-lifetime occasion and many dresses are sitting in closets never to be worn again. Please consider helping a teen experience this magical high school memory by donating one or more of these specialty items. Also needed to complete the look are gift certificates for hair, manicures, tuxedos and accessories. **we are especially seeking dresses that are 5 years old or less and in good condition.

Cash donations are also accepted and can be made payable to Macomb County DHS. Please indicate "Prom Event" in the comments section and send to the address below, Attention: Community Resource Program. All donations are currently being accepted Mon-Fri 8am-5pm now until April 2, 2014 at:

Macomb County Department of Human Services

19700 Hall Rd. Suite A

Clinton Township 48038

For more information, please contact (586) 412-6114
