

# EDUCATOR TOOLKIT ORDER FORM

Michigan's Safe Delivery of Newborns law allows a parent(s) with an unplanned, hidden pregnancy an alternative to infant abandonment or infanticide. The Safe Delivery of Newborns law provides legal protections for a parent(s) to surrender a newborn within 72 hours of birth in a safe and anonymous manner to an Emergency Service Provider (ESP): on-duty fire, police and hospital personnel or a paramedic or emergency medical technician who responds to a 9 -1-1 emergency call.

To ensure public awareness of this law we are enlisting adults who work with adolescents and young adults to assist in reaching young women/parents who might wish to surrender a newborn using the Safe Delivery of Newborns law.

*\*In response to the significant number of newborn infants being abandoned by their parents, the Michigan Legislature enacted Acts 232, 233, 234, and 235 in 2000, with an effective date of January 1, 2001. In 2006 PA 488 was enacted to amend the definition of an ESP effective in 2007. These acts affect ALL MICHIGAN FIRE DEPARTMENTS, POLICE STATIONS, HOSPITALS, PARAMEDICS AND EMERGENCY MEDICAL TECHNICIANS. They provide that a parent may surrender an infant to an emergency service provider which is defined as "...a uniformed or otherwise identified employee or contractor of a fire department, hospital, or police station when that individual is inside the premises and on duty. Emergency service provider includes a paramedic or an emergency medical technician when either of those individuals is responding to a 9-1-1 emergency call." This means that a parent (either parent) of a newborn can drop off an unwanted newborn at any hospital, fire department or police station or call 9-1-1 to safely, legally and anonymously surrender a newborn.*
