Dear Senator Caswell and Representative MacGregor:

Section 677 of 2013 Public Act No. 59 requires the Department of Human Services (DHS) to report the following information on a monthly basis:

1. *Current percentage of FIP cases involved in PATH employment activity.*
2. *Current percentage of FIP cases that meet federal work participation requirements.*

Please see the attached report, which contains the percentages for the two requirements of this report.

If you have questions regarding Partnership. Accountability. Training. Hope. (PATH), please contact Sheryl Thompson, deputy director, Field Operations Administration, at (517) 241-5168. If you have questions regarding the work participation rates, please contact Julie Horn Alexander, director, Office of Quality Assurance, at (517) 373-4659.

Sincerely,

Susan Kangas

2. Current percentage of FIP cases that meet federal work participation requirement.

The current percentage of FIP cases that meet federal work participation requirements for FY 2013, year-to-date (October 2012 -September 2013) is **53.11%** as of January 7, 2014. FIP work participation rates are point-in-time rates subject to change based on receipt of verifications and review by the Department of Health and Human Services, Administration for Children and Families. The work participation rate is calculated by the DHS Office of Quality Assurance. Federal Work Participation percentages for FY 14 will be reported beginning in January of 2014.

Please Note: The following table provides details regarding the data included for each monthly report for Fiscal Year 2014. The DHS Office of Quality Assurance reports Work Participation Rate (WPR) on a 3-month lag because of the rigorous methodology and testing required to calculate the data.
