House Appropriations Subcommittee on DHS
Michigan House of Representatives

Dear Senator MacGregor and Representative Poleski:

Section 751(2) of 2014 Public Act No. 252 requires the Department of Human Services (DHS) to submit a quarterly report on the implementation status of the Healthy Michigan Call Center that includes:

1. *Call volume during the prior quarter.*
2. *Percentage of calls resolved through the Healthy Michigan plan call center.*
3. *Percentage of calls transferred to local department office or other office for resolution.*
4. *Number of Medicaid applications completed by the Healthy Michigan call center staff and submitted on behalf of clients.*

DHS is still in the planning stages for this call center. An implementation work group is exploring options for the call center due to some potential contracting barriers. As the call center is not operational at this time, we do not have the requested data for the 1st quarter of Fiscal Year 2015.

If you have questions regarding this, please contact Terrence M. Beurer, Director, Field Operations Administration, at (517) 373-3570.

Sincerely,

A handwritten signature in blue ink that reads "Susan Kangas".
