RE: License #: AS820079190
Whitney Home

Dear Ms. Medhane:

On November 3, 2014, the Bureau of Children and Adult Licensing (BCAL) issued *Special Investigation #2014A7702042* recommending revocation of your adult foster care small group home license. During the investigation, you reported to Licensing Consultant Karen Davis that your contract with Community Living Services was terminated and you no longer had access to the facility. Under the MCL 400.713(7), a license is issued to a specific person at a specific location and is not transferrable. In addition to this violation of the Act, Ms. Davis found several other rule violations during her investigation.

After reviewing special investigation report and the supporting documentation, the Disciplinary Action Division agrees there is sufficient basis to revoke the license. However, unless you object to this action, BCAL will administratively close the license rather than proceed with revocation.

If within 30 days of receipt of this certified letter, you wish to object to the closure of your license, you may do so, in writing, to BCAL address at the bottom of the page. Upon receipt of your written objection, the Bureau of Children and Adult Licensing will proceed with a formal *Notice of Intent to Revoke* your adult foster care license. You should understand that pursuant to Section 13(10) of the Adult Foster Care Licensing Act, if "the department has revoked ... a person's license for an adult foster care facility according to section 22, the department may refuse to issue a license to ...that person for a period of 5 years after the ... revocation"
