Dear Remote Participant,

You are to join a virtual courtroom proceeding with the 30th Circuit Court, the Honorable James S. Jamo presiding.

As a Remote Participant, it is your obligation and responsibility to ensure you have the equipment and networking needed for a successful call. If you are unable to appear, you must contact your attorney (or the attorney who subpoenaed you) and reply to this email/letter to alert the court.

**Technical Responsibilities:** The court **does not** provide technical assistance for testing or troubleshooting. In addition, the court does not provide time during court proceedings to troubleshoot issues. It is your responsibility to insure that your connection works prior to your court date.

**Testing Windows, Apple, or Android devices:** Directions for testing your device and networking prior to the proceeding can be found at <https://support.zoom.us/hc/en-us/articles/201362313-How-Do-I-Test-My-Video->

**Technical Support:** The Court uses Zoom meeting services for the Virtual Court Room experience. If you are having TECHNICAL issues with your equipment you should review Zoom training and support materials at Zoom.us. Please understand: Zoom is an independent service provider and will have NO knowledge of your court case or legal issues.

**Local Court Policy:**

- The call is a court proceeding and therefore an extension of the court room; therefore, appropriate conduct and attire is expected and required.
- Remote Participants should use a good WiFi connection or a substantial LTE mobile data plan to ensure a quality connection. (Note: Mobile data use may incur substantial cellular carrier charges which are the responsibility of the remote participant.)
- Remote Participants must use a private and quiet room that will be free of interruptions. (Outdoor, car, or public places are not permitted. Calls from bed are not permitted.) Additionally, video meetings require good, consistent lighting; avoid rooms with bright windows and/or back-lighting.
- Remote Participants must place their mobile devices on a solid surface with the camera at eye level. **Do not** hand-hold mobile devices. **Do not** lay phones or tablets flat on a desk or tabletop.
- Remote Participants should take time prior to the call to become familiar with the controls, and to test the microphone and speaker controls.
- If the Court determines the quality of the video experience is not acceptable, it has the right to terminate the call.
- **Lay witnesses testifying over Zoom must appear from the presenting counsel's office.**

- Judge Jamo has full power over Remote Participants just as if they were physically present in his courtroom.

**Connecting to the Virtual Court Room at the time of the proceeding using Personal Meeting Room ID:**

- Polycom Systems (e.g., Courtrooms, Jails): Dial: **162.255.37.11##6166519645**
- Desktop PCs and Laptops: Go to the Zoom Web Site: [zoom.us](https://zoom.us). Click: "Join a Call". Join the call using Meeting ID: **6166519645**
- Tablets and Phones (Apple and Android): Download and install the Zoom app from the App Store or Play Store prior to the call. At the time of the call, launch the Zoom app and join using Meeting ID: **6166519645**

**Note: If you connect to the meeting room earlier than the time specified in the introductory paragraph of this letter, or if the Court is not yet ready for your remote participation (e.g., there is another virtual courtroom proceeding already in progress), your connection may be placed in a virtual waiting room until the Court is ready for your participation.**

Please contact me or Janell Liles at (517) 483-6426 if you have any questions regarding these instructions.

Respectfully,

/s/
