**PETITION FOR ESTABLISHMENT OF COURT PROCEDURES TO
ADJUDICATE LIQUIDATOR'S CLAIMS AGAINST
UNIVERSITY OF MICHIGAN HEALTH SYSTEM**

INTRODUCTION

Patrick M. McPharlin, Director of the Michigan Department of Insurance and
Financial Services ("DIFS"), as Liquidator of Consumers Mutual Insurance of

Michigan (the “Liquidator”), by and through his attorneys, Bill Schuette, Attorney General, and Christopher L. Kerr and Aaron W. Levin, Assistant Attorneys General, files this petition (“Petition”) pursuant to 500.8121(1)(f) for a Court Order establishing procedures for this Court’s adjudication of the Liquidator’s claims for refunds of Consumers Mutual Insurance of Michigan (“Consumers Mutual”) overpayments made to certain healthcare providers, including in this instance, University of Michigan Health System (“UM Health System”).¹

In addition, the Liquidator files this Petition pursuant to MCL 500.8105(1) to prevent UM Health System’s interference in this liquidation by refusing to refund Consumers Mutual for overpayments made to UM Health System that the Court adjudicates as outstanding, due, and owing to Consumers Mutual and orders UM Health System to pay. These refunds represent assets of the Consumers Mutual liquidation estate that the Liquidator has requested UM Health System to repay, but to date UM Health System has refused, subjecting it to a claim of interference with the Liquidator’s duties and obligations in this proceeding. In support of this Petition, the Liquidator states as follows:

¹ Several healthcare providers owe Consumers Mutual similar overpayment refunds. For purposes of identification, this Petition is sub-captioned *In re: Consumers Mutual Insurance of Michigan v University of Michigan Health System, Provider Petition No. 9*.

FACTS

1. On November 13, 2015, the Court entered an Order placing Consumers Mutual into rehabilitation and appointing the Director as the Rehabilitator of Consumers Mutual (the “Rehabilitator”).

2. On February 3, 2016, the Rehabilitator filed with the Court a Petition for Order Converting Rehabilitation to Liquidation and for Judicial Declaration of Insolvency of Consumers Mutual Insurance of Michigan (“Liquidation Petition”), which sought: (a) an order converting the rehabilitation of Consumers Mutual to a liquidation proceeding; and (b) a judicial declaration of Consumers Mutual’s insolvency.

3. On February 10, 2016, the Court granted the Liquidation Petition and entered an Order of Liquidation and Declaration of Insolvency of Consumers Mutual (“Liquidation Order”). Pursuant to the Liquidation Order, the Court appointed the Director as the Liquidator of Consumers Mutual and affirmed the Liquidator’s appointment of James Gerber and Julieanne Gulliver as Special Deputy Liquidators (the “Special Deputy Liquidators”).

4. The Liquidation Order granted the Liquidator all the powers contained in MCL 500.8121, including the power to “collect all debts and money due and claims belonging to” Consumers Mutual, and to “do other acts as necessary or expedient to collect, conserve, or protect the assets or property” of Consumers Mutual. MCL 500.8121(1)(f).

5. MCL 500.8105(1) further authorizes the Liquidator to apply for any order that may be necessary and proper to prevent “[i]nterference with the receiver or with a proceeding under this chapter” and “[w]aste of the insurer’s assets.”

6. Paragraph 14 of the Liquidation Order provides that

Any person or entity with possession, custody, or control of assets . . . of . . . Consumers Mutual shall immediately:

(b) Tender possession, custody, and control of such assets . . . to the Liquidator/Special Deputy Liquidators.

7. Pursuant to MCL 500.8106 and paragraph 15 of the Liquidation Order, any interference with the Liquidator in this liquidation proceeding may be punished by a “fine not exceeding \$10,000.00, or imprisonment for a term of not more than 1 year, or both.”

8. As the Liquidator worked to marshal all assets of the Consumers Mutual liquidation estate, the Liquidator identified numerous healthcare providers, including but not limited to UM Health System, that had received overpayments from Consumers Mutual and, therefore, owed refunds to Consumers Mutual of the overpayment amounts. These refunds are assets of the Consumers Mutual liquidation estate.

9. In November 2016, the Liquidator mailed demand letters to UM Health System and each other provider that owed a refund to Consumers Mutual. A sample of this form letter is attached as Exhibit 1. The letters to the various providers identified each overpayment and the total refund amount due to Consumers Mutual. The letters informed each provider of the Liquidation Order

entered by this Court and that if payment was not provided within 30 days, the Liquidator would pursue additional legal action in this Court. Some providers promptly refunded the overpayments to Consumers Mutual. UM Health System, however, did not respond to the November 2016 demand letter. Accordingly, UM Health System has refused to provide refunds of overpayments made by and owed to Consumers Mutual. The total amount of refunds due from UM Health System is \$4,675.55. Support for the amount of the refund the Liquidator has determined UM Health System owes is attached as Exhibit 2.

10. As of the date of this Petition, the UM Health System refunds are over 90 days past due. UM Health System's refusal to pay refunds has created additional burdens and costs for the Liquidator, which further reduces the assets of the liquidation estate.

11. Contemporaneously with the filing of this Petition, the Liquidator has served a copy of this Petition on UM Health System.

12. To allow UM Health System the opportunity to provide any information or argument it may have to show why this Court should not order prompt payment of the refunds totaling \$4,675.55, the Liquidator requests that the Court enter the proposed order attached as Exhibit 3, which grants this Petition and sets a schedule for UM Health System's response and oral argument.

13. Upon the Court's entry of an order against UM Health System requiring prompt payment of all refunds due to Consumers Mutual, UM Health System's refusal to pay these refunds as ordered—which are assets of the

Consumers Mutual liquidation estate—would constitute interference with the Liquidator’s conduct of this proceeding, subjecting UM Health System to additional fines and penalties under MCL 500.8106 and paragraph 15 of the Liquidation Order.

RELIEF REQUESTED

WHEREFORE, for the reasons stated above, the Liquidator respectfully requests the Court to grant this Petition for Establishment of Court Procedures to Adjudicate Liquidator’s Claims against University of Michigan Health System and to enter the proposed order attached as Exhibit 3.

Respectfully submitted,
