

Testing in Michigan (10/12/2020)

In order to protect the health and safety of examination candidates, PSI clients and employees, testing centers are testing at 50% capacity. [Available test dates and times](#). Scheduling can be done online at <https://home.psiexams.com> or by calling PSI's Michigan insurance candidate telephone number at 855-579-4639.

Michigan Test Centers:

- Grand Rapids
- Southfield (Lahser)
- Gaylord
- Marquette
- Dearborn
- Holt
- Southfield (Crossroads)

The Alpha Tech Institute in Dearborn will no longer be offering examinations for Michigan Insurance Candidates. Scheduling at this site will stop as of November 1, 2020. If you are already scheduled for an examination at the Alpha Tech Institute, your scheduled examination will not be affected.

Testing is also available via Remote Online Proctored Examination. As of September 1, 2020, remotely proctored testing became available to Michigan insurance licensure candidates. For additional information about scheduling your Remote Online Proctored Examination or exact specifications required to take a remote online proctored examination, please contact PSI online at [PSI Online](#) or by calling 855-579-4639. If you have issues with remote proctoring, contact MIInsClientServices@psionline.com.

For all other questions, please contact DIFS by email at DIFS-Licensing@michigan.gov or by telephone at 877-999-6442.
