TO: VA Eligible Veterans and Interested Parties

FROM: Paige McCully, Manager

SUBJECT: Michigan Insurance Licensing Examinations Certified for Reimbursement for VA Eligible Veterans

The purpose of this notification is to announce that VA eligible veterans can now request reimbursement of costs associated with taking the Michigan Insurance Licensing examinations.

DIFS applied through the Michigan State Approving Agency (SAA) under [LACAS-License and Certification for Exam](#) to seek approval of our licensing examinations, making the cost of the examinations eligible for reimbursement for VA eligible veterans. The SAA works with the U.S. Department of Veterans Affairs in this approval process.

For additional information on receiving reimbursement please refer to the following U.S. Department of Veterans Affairs website:
