Notes to Financial Statements

Note 1- Summary of Significant Accounting policies

A. Accounting Practices, Impact of NAIC/State Differences

The accompanying financial statements of Zing Health of Michigan, Inc. (the "Company"), are presented on the basis of accounting practices prescribed or permitted by the Michigan Department of Insurance and Financial Services (the "Department").

The Department recognizes Statutory Accounting practices prescribed or permitted by the State of Michigan for determining and reporting the financial condition and results of the operation of the insurance company, for determining its solvency under the Michigan Law. The Department has adopted the National Association of Insurance Commissioners' (NAIC) Accounting Practices and Procedures Manual as its statutory accounting principle (SAP) basis. Prescribed accounting practices are those practices which are incorporated directly or by reference to state laws, regulations and general administrative rules applicable to all insurance enterprises domiciled in a particular state. Permitted accounting practices include deviation from NAIC SAP and state prescribed accounting practices specifically requested by an insurer and granted by the Insurance Division.

The Department has approved no permitted practices for the Company that differ from NAIC SAP or state prescribed accounting practices. A reconciliation of the Company's net income and capital surplus between NAIC SAP and practices prescribed and permitted by the department are shown below:
