**REVISED CONSENT ORDER REQUIRING PAYMENT OF FINE**

Issued and entered  
on 11/10/10  
by Stephen R. Hilker,  
Chief Deputy Commissioner

The previous consent order in this matter, issued and entered on January 21, 2010, is hereby revised, in its entirety, and states the complete agreement between the parties as follows:

Based upon the Stipulation to Entry of Consent Order and the files and records of the Office of Financial and Insurance Regulation (OFIR) in this matter, the Chief Deputy Commissioner finds and concludes that:

1. The Chief Deputy Commissioner has jurisdiction and authority to adopt and issue this Consent Order in this proceeding pursuant to the Michigan Administrative Procedures Act of 1969 ("APA"), as amended, MCL 24.201 *et seq.*, and the Deferred Presentment Service Transactions Act, 2005 PA 244, MCL 487.2121 *et seq.* ("Act").
2. All required notices have been issued in this case, and the notices and service thereof were appropriate and lawful in all respects.
3. Acceptance of the parties' Stipulation to Entry of Consent Order is reasonable and in the public interest.

4. All applicable provisions of the APA have been met.
5. Respondent violated Section 34(8) of the Act, MCL 487.2154(8).

Now therefore, based upon the parties' Stipulation to Entry of Consent Order and the facts surrounding this case, **IT IS ORDERED THAT:**

6. Respondent shall pay to the State of Michigan, through OFIR, administrative and civil fines in the amount of \$1,000.00. Respondent shall further pay the fines within 30 days of the invoice date as indicated on the OFIR invoice.
7. Respondent shall not willfully engage in any violations of the Act.
8. The Chief Deputy Commissioner retains jurisdiction over the matters contained herein and has the authority to issue such further Order(s) as he shall deem just, necessary and appropriate in accordance with the Act. Failure to abide by the terms and provisions of the Stipulation and this Order may result in the commencement of additional proceedings.
9. This Order supercedes any previously entered orders.
