CITY: Flint

Target Areas	<ol style="list-style-type: none"> 1. Flint Renewal Community Boundary with Renaissance Zones 2. Third Ave. Corridor 3. Smith Village 4. Flint Park Lake 5. I-475 Development District 6. Safe Routes to School, Washington Elementary 7. Safe Routes to School, Durant-Tuuri Mott 8. Safe Routes to School, Williams School 9. 400 Yard Radius: Brownell Elementary, Civic Park Elementary; Dort Elementary; King Elementary, Garfield Elementary, and International Academy
Partners	Goodwill Industries, Genesee County Land Bank, Neighborhood Groups, Michigan Fast Track Land Bank, Habitat for Humanity, Metro Housing, STRIVE, Deconstruction Crew and Job Corps
Plan for Employing Homeless Persons	Deconstruction component is in planning stage. City of Flint is pursuing grants to abate the asbestos prior to deconstruction (required by law to protect health and safety of employees and neighbors). Once abated, the City will consider contracts with Habitat for Humanity and J.E.T to provide the manpower and training of employees to carry out the deconstruction under the administration of Habitat for Humanity. City currently has a Memorandum of Understanding with Goodwill Industries to identify and screen potential homeless individuals to work on the city demo process. City currently has one employee being trained in asbestos abatement and hopes to hire an additional person under the 2009 BEP.
Number of Properties	592
Amount and Source of Local Match	City CDBG: \$1,041,728 County Land Bank: \$510,000 NSP: \$225,000
Total MSHDA Request	\$1,770,000
Special Conditions/ Comments	<p>Special Condition:</p> <ul style="list-style-type: none"> • City will include deconstruction in the demolition process when the property condition allows • City will continue to seek opportunities to employ homeless and Michigan Prisoner Re-Entry populations • City will agree to track and report number of homeless persons employed, including duration of employment and average wage.

Coulter, Chester Miller, and Hanley Elementary Schools 7. Salina
<p>Partners</p>	<p>Neighborhood Associations, St. Mary's Hospital, HUD, State of Michigan. Saginaw County, Saginaw County Land Bank Authority, SSP Associates, Universal Sign Company, Healthy Community Partners, The Greenhouse Gathering Place, Covenant Hospital, Habitat for Humanity, Heritage Square Neighborhood Assn., Neighborhood Renewal Services, Community Action Center, Saginaw Landlord's Association, Schools, PTO,</p>
<p>Plan for Employing Homeless Persons</p>	<p>Saginaw's application contained a very progressive proposal and business plan for a Deconstruction Program. This program is designed to become a self sufficient system of addressing blighted properties within the City of Saginaw (and possibly other Cities of Promise) and will employ demolition, deconstruction, and economic development practices. The plan includes first partnering with Habitat, and eventually developing a site for a Deconstruction Facility that would include the following components: demolition; salvage; recycle and sales; millwork; and lot maintenance. At full operating capacity, this facility would employ up to 20 homeless persons and MPRI released prisoners. The project will hire staff in early January 2009 and begin implementing the plan at that time.</p>
<p>Number of Properties</p>	<p>461</p>
<p>Amount and Source of Local Match</p>	<p>City CDBG: \$300,000 Covenant Hospital: \$100,000 Riverfront Commission: \$450,000 NSP: \$994,000 (Pending)</p>
<p>Total MSHDA Request</p>	<p>\$1,840,000</p>
<p>Special Conditions/ Comments</p>	<p>Special Condition:</p> <ul style="list-style-type: none"> • City will continue to incorporate deconstruction into the demolition process when properties allow <ul style="list-style-type: none"> ○ City will regularly report progress of Deconstruction Program, including number of homeless and MPRI persons employed, average wage per hour, types of jobs, and tenure.
