Residential Property Conveyance Application

Please use this application if you are interested in acquiring a residential lot, with or without a structure that will be used for residential purposes.

Thank you for your interest in tax reverted property owned by the State of Michigan Land Bank Fast Track Authority (Authority). The mission of the Authority is to return blighted tax reverted properties to productive and economically viable use. The Authority will work cooperatively with local units of government and the private sector to create opportunities for economic growth within the manufacturing, industrial, commercial, retail, housing and public use arenas. This application process will assist individuals who are interested in purchasing or otherwise acquiring properties owned by the Authority.

The Application Process:

1. Submit a completed application to the Authority at:

**Michigan Land Bank Fast Track Authority
7150 Harris Drive
Lansing, Michigan 48909**

2. Upon receipt of your completed application and required documentation, the Authority will evaluate your application.
3. You will be notified if your application is denied or approved. If approved, you will be sent a property transfer affidavit as well as an invoice indicating the price the Authority will entertain as an offer along with any costs associated with the sale. If an appraisal is necessary, the Authority may, in its sole discretion, hire an outside appraiser and you will be responsible for the appraisal costs.
4. All property will be sold at an agreed value plus the costs associated with the sale. If you are interested in purchasing the property at the agreed upon price, send the signed property transfer affidavit and payment to the Authority as indicated on the invoice. **All payments must be made in the form of a Cashier's Check or Money Order made payable to the STATE of MICHIGAN.**
5. Once the Authority has received the payment in full and the original signed property transfer affidavit, a Quitclaim Deed will be executed and sent to the county Register of Deeds for recording. The Authority will mail you the recorded Quitclaim Deed upon receipt from the county. This is a **cash-sale**.
