| Authority: 1965 PA 290 Penalty: Failure to provide the information may result in the denial of your request. | LARA is an equal opportunity employer/program. Auxiliary aids, services and other reasonable accommodations are available upon request to individuals with disabilities. |
|---|--|

IMPORTANT: A new or reinstalled boiler shall not be operated until an inspection certificate is issued by the Boiler Division, State of Michigan. The inspection certificate will not be issued until electrical, mechanical, and plumbing permits have had a final inspection approval.

PIPING: Describe in detail installation of components and piping system on the back side of this application.

INSTALLATIONS: Provide a drawing showing clearance dimensions around boiler on the back side of this application and/or an attached sketch. Clearances less than 24" around the boiler, shall have attached to the permit the manufacturers minimum allowed clearances for the model of the boiler.

REPAIRS: Describe in detail the repair and/or provide a sketch of repair on the back side of this application.

Enclose a check made payable to the **State of Michigan**. Mail completed application and payment to the address listed above.

PERMIT FEE (Nonrefundable) Licensees are responsible for the permit fee. This does not include boiler inspection/certificate fees.
