

# MIOSHA Training Institute (MTI)

## Credit Information

**ABIH IH CM points** – American Board of Industrial Hygiene certification maintenance points. This course has been approved for IH CM points for Certified Industrial Hygienists (CIH) and Certified Associate Industrial Hygienists (CAIH) who attend. For additional information about the American Board of Industrial Hygiene, CM points, or the ABIH approval # for this course: [www.abih.org](http://www.abih.org).

**ABIH Safety CM points** – American Board of Industrial Hygiene certification maintenance points. This course has been approved for safety CM points for Certified Industrial Hygienists (CIH) and Certified Associate Industrial Hygienists (CAIH) attending this course. For additional information about the American Board of Industrial Hygiene, CM points, or the ABIH approval # for this course: [www.abih.org](http://www.abih.org).

**BCSP COC points** – Board of Certified Safety Professionals continuance of certification points. This course qualifies for COC credit for Certified Safety Professionals (CSP) attending. For more information about the Board of Safety Professionals, or COC points: [www.bccsp.org](http://www.bccsp.org).

**CCHEST CM credit** – Council on Certification of Health, Environmental and Safety Technologists Certification Maintenance credit. This course qualifies for CM credit for Occupational Health and Safety Technologists (OHST), Construction Health and Safety Technicians (CHST), and Safety Trained Supervisors (STS) who attend. For more information about the Council on Certification of Health, Environmental and Safety Technologists, or CM credit: [www.cchest.org](http://www.cchest.org).

**IHMM CM points** - Institute of Hazardous Materials Management Certification Maintenance Points. This course qualifies for CM points for Certified Hazardous Materials Managers (CHMM) who attend. For more information about the Institute of Hazardous Materials Management or CM points: [www.ihmm.org](http://www.ihmm.org).

**MCC CEUs** – Macomb Community College Continuing Education Units. This course has been approved for CEUs for all registrants completing the course. For more information about Macomb Community College: [www.macomb.edu/hst](http://www.macomb.edu/hst).

**MEDQ CECs** – Michigan Department of Environmental Quality, Continuing Education Credits. This course qualifies for CE credit for Certified Waterworks Operators. For more information, contact Matt Tomlinson at 517-241-8913 or [www.michigan.gov/deqoperatortraining](http://www.michigan.gov/deqoperatortraining).

**MTI Level One** – MIOSHA Training Institute Level One Certificate. This course has been approved to count towards Level One General Safety and Health Certificate. Certificates will be awarded when a participant either successfully passes four courses on the General Industry track (two required and two electives) or seven courses on the Construction track (two required and five electives) within a three-year time frame.

**MTI Level Two** – MIOSHA Training Institute Level Two Certificate. Three Certificate programs will be offered in Level Two. The Safety and Health Management Systems Certificate will provide in-depth information on the administration and management of workplace safety and health systems. The MIOSHA Compliance Certificate program will provide technical training on MIOSHA standards. For more information on MTI, Level One and Level Two Certificate: [www.michigan.gov/mti](http://www.michigan.gov/mti).
