PROCEDURES
General Information
• DTMB Cybersecurity & Infrastructure Protection (CIP), Office of Infrastructure Protection (OIP) manages the security of state facilities under DTMB’s jurisdiction. OIP issues state employees’ identification/facility access key cards to access state buildings. DTMB CIP, OIP manages security guards and other physical security measures, installs and monitors video surveillance systems and monitors life safety, systems to ensure the safety of employees, contractors and visitors in state facilities.
• DTMB CIP, OIP also governs rules and policies that apply to emergencies, special events and conduct on state property.
• Agencies operating within DTMB-managed facilities shall appoint an Agency Authorized Representative to coordinate the authorization and distribution of Employee ID/Facility Access Key Cards and keys for their employees. This person’s signature shall be maintained on file with DTMB CIP, OIP.
• Assistance will be given by DTMB CIP, OIP to recover any articles or personal property missing from departmental offices. Strict orders have been given to maintenance and janitorial personnel that no office or personal properties are to be disturbed except as required in carrying out assigned duties.

• Employees are cautioned against leaving money and valuables in accessible places. Losses from DTMB-managed buildings are to be promptly reported to DTMB Central Control. If personal property is damaged see Administrative Guide Procedure 0620.07 Submission of Claims by State Employees to the Finance and Claims Committee of the State Administrative Board.

• Regarding solicitations in state-owned office buildings, see Administrative Guide Procedure 0210.06 Conduct on State Property.

Emergency Closure of a State Facility

• As designated by the Governor, DTMB will act as the control point in case of emergency situations that affect state operating space and employees (see Administrative Guide Procedure 0240.01 General or Isolated Emergencies).

Facility Access

Employee ID/Facility Access Key Cards and Facility Keys

• State agencies and/or employees may request access to secure facilities by submitting a Security Access Record (DTMB-0624) signed by the Agency Authorized Representative via DTMB CIP, OIP.

• State employees and other individuals assigned to work in state facilities shall be required to obtain and display at all times a DTMB-issued Employee ID/Facility Access Key Card or visitor/temporary ID according to Administrative Guide Procedure 0250.06 ID/Access Cards.

• A current identification card must be presented to state security personnel when entering any building with a guard on duty.

• Employees and agencies in DTMB-managed facilities may request keys according to Administrative Guide Procedure 0250.07 Physical Key Issuance and Return.

• A lost key must be reported immediately in writing to DTMB, CIP, OIP. This report must include the circumstances of the loss.

• Employee ID/Facility Access Key Cards and facility keys remain the property of the state of Michigan and must be returned to the employee’s supervisor upon separation of employment. Supervisors will forward all returned Grand Master, Master and Building Entrance keys, ID and Facility Access Key Cards to: DTMB Office of Infrastructure Protection, Joint Operations Center, 615 W. Allegan Street, Lansing, MI 48933.

• Any employee or person gaining unauthorized entry into a facility shall be reported to the DTMB CIP, OIP for immediate action.
### After Hours Access

- Concerning control of after-hours access, protection of state property, restriction of demonstrations, prevention of animal access, and coordination of displays in public areas are covered by the rules of Conduct on State Property filed with the Secretary of State on May 25 1982; § 4 of Public Act No. 51 of 1948 (see Administrative Guide Procedure 0210.06).

- Employees will be allowed to enter state-owned buildings and departmental areas after normal working hours only for official business.

- Agencies shall contact the DTMB Facilities Supervisor prior to scheduled after-hours work and inform them of the employees’ and/or contract employees’ names and the times they will be inside the building. This policy shall supersede that of any other state agency, and shall be considered an additional security measure with regard to after-hours use of state-owned buildings. This procedure is not exclusive to state employees and shall be applied to contractors scheduled to be in the building after hours (i.e., copy machine repair, computer repair, etc.).

- Employees unsure of the proper after-hours entrance to the facility should contact the appropriate DTMB Facilities Supervisor.

### Miscellaneous Access Issues

- Employees or contractors are not allowed to remove state property from the buildings without approval from an authorized official of the department involved.
