General Assignments

- All state motor vehicle assignment requests are originated by submitting a Vehicle Request and Justification (DTMB-0064).
 - Permanent – State motor vehicles (cars, trucks, or utility vehicles) are assigned to a department based on the functional need to be met. Approval of the state motor vehicle assignment is required from the user department and VTS.
 - Unmarked – To apply for assignment of an unmarked state motor vehicle, the department must provide VTS with a written request explaining the need. VTS will review this request to determine an unmarked state motor vehicle is justified.
 - Seasonal – State motor vehicles (cars, trucks or utility vehicles) are assigned for short-term assignments (greater than four weeks, but less than one year), with approval of the user department and VTS.
 - VTS Motor Pool – State motor vehicles are available for use from the VTS motor pools.
 - The detailed VTS motor pool policy is available at the [Vehicle Services, Motor Pool](https://stateofmichigan.sharepoint.com/teams/insidemichi/onsite/vehicles) (<https://stateofmichigan.sharepoint.com/teams/insidemichi/onsite/vehicles>) website.
 - Exceptions to the criteria may be granted to accommodate safety and health needs.
 - Short-Term Private Motor Vehicle Rental – VTS manages the contract for all short-term private motor vehicle rentals for passenger vehicles. The current list of approved private motor vehicle rental companies can be found on the VTS motor pool website.
 - Departments may rent motor vehicles from private motor vehicle rental companies when:
 - A motor vehicle is required on location to complete work assignments.
 - No state motor vehicle is available.
