Request for Proposal (RFP)
Michigan Department of Technology, Management and Budget
for
SECRETARY OF STATE (SOS) –Brighton or Howell, Livingston County
SR #2010-0110 April 21, 2010

Introduction and Overview

The State of Michigan, by the Department of Technology, Management and Budget (DTMB/State or Lessee), for the Secretary of State (SOS) is evaluating their space alternatives in the cities of Brighton or Howell in Livingston County, Michigan. CB Richard Ellis, Inc. (CBRE) is acting as agent for the State of Michigan. Please respond to the Request for Proposal (RFP) if you (Lessor or Bidder) have a potential location in the geographic boundaries set forth in this RFP. If you have more than one potential location, submit separate proposals for each location.

This is a consolidation effort to co-locate two state agencies (SOS and DOC) into one office building to utilize common areas but maintain two separate suites and leases. Co-location is the state's preference, but individual sites will be considered for each Request for Proposal (RFP). This RFP (SR#2010-0110) is for SOS, Secretary of State.

Refer to SR#2010-0155 for DOC Livingston County (4,520 square feet and 30 parking spaces).

Please review and read this package thoroughly. Your proposal should be based on the sample documents and the requirements as detailed in this package.

Please be advised that State tax credits and incentives are administered by the Michigan Economic Development Corporation (MEDC), who is the appropriate contact for resources and program information. The DTMB will not accept proposals contingent upon receiving credits, incentives or other project cost inducements.

The State reserves the right to waive any irregularities or defects in any submission; to request clarifications or additional information regarding proposals; to conduct a Best and Final Offer (BAFO); and to reject any and all proposals at its sole discretion. The submission of this RFP does not constitute an agreement to lease with the State. The State shall assume no liability whatsoever for any expense incurred by a Bidder in replying to this RFP, or any development risk of a successful bidder. A lease agreement, if completed, shall be with the proposal deemed to have offered the best value to the State of Michigan.

Pursuant to 1984 PA 431, as amended, ("The DMB Act"), the Department of Management and Budget is the only agency authorized to enter into lease agreements on behalf of the State of Michigan. No individual, employee or agent of the State of Michigan has authority to bind the State without proper authorization. Bidders are directed to section VI.4 Proposal Submission of this RFP for correct information on the submission of a proposal. Bidders are hereby notified that communications during the RFP process non-compliant with the Proposal Submission guidelines may result in disqualification of a proposal.

Any release to the public of information relating in any respect to the contemplated lease agreement or any other matters set forth (i.e. advertisement, ground breaking, press releases, etc.) must have prior written approval and be made only in the form approved by the DTMB Real Estate Division Director.

This includes properties on either side of the street delineating the boundaries. Please identify the location of the space by street and mailing address.
- I.2. **Space (Premises):** The State requires approximately 4,500 usable square feet of office space. The State reserves the right to increase or decrease the size of this requirement by up to 10%. Special circumstances may require more extensive program size changes.

- I.3. **Parking:** The State requires one hundred five (105) paved, striped, illuminated on-site parking spaces. Please describe the parking provided at the site, including the total number of spaces available and provide detail as to how you will meet this parking requirement.

II. Lease Term

- II.1. **Initial Lease Term:** The Initial Lease Term is for a minimum of ten (10) years; however, the State will consider a longer lease term if economic benefits are deemed to be in the State's best interest.
- Please propose a fixed, or flat, rental rate for a Gross Lease: including all expenses – taxes, insurance, janitorial services, maintenance, etc.
- The State may elect to pay for utilities separately so please include a cost per square foot to reduce the rental rate if such occurs.
- II.2. **Renewal Option(s):** The State requires two (2) five (5) year options to renew with thirty (30) days advance written notice to the Landlord to exercise such option based on the terms and conditions defined in the Initial Lease. Please outline the rental rate for said option periods.
- II.3. **Adjustments/Escalations:** There will be no adjustments made to the rental consideration.

- II.6. **Cancellation:** All State government leases for real property, for a term in excess of one (1) year, are required to contain a cancellation provision as established within the framework of the 1963 Michigan Constitution. The SAP form(s) and sample lease attached to this RFP contain a Standard cancellation provision requiring a ninety (90) day written notice.
- II.7. **Security Deposit:** The State will not provide a security deposit.

- II.8. Brokerage:** CB Richard Ellis, Inc. (CBRE) is the sole and exclusive Broker for the State with respect to this transaction. Upon execution of a Lease, a commission will be due to CBRE equal to five percent (5%) of the aggregate, full service rent obligation over the initial term. The commission agreement will be solely between CBRE and the successful Bidder. Contact information is provided in Section VI.4 and the commission agreement is included as part of this RFP package.
- II.9. Automatic Teller Machines (ATMs):** The Lessor specifically consents to the Lessee installing, or having installed through a third-party agreement, automatic teller machines (ATMs) within the Leased Premises.
- II.10. Alternative Terms:** The State may consider proposals with alternative lease terms and conditions if such are determined to be in the best financial interest of the State; however, bidders are encouraged to respond to the specific requirements listed in this RFP, as alternative proposals may or may not be considered. All proposed alterations from the standard form of lease agreement attached to this RFP must be clearly identified. The State must receive sufficient information to accurately assess all proposals. The State reserves the sole and exclusive right to consider alternative proposals, to seek proposal clarification, and to reject any and all proposals.
