Bear licenses are distributed to hunters using a preference point system. Drawing applicants with the most preference points in each hunt period are selected before those with fewer points. Points are reset to zero upon selection; those not selected for a license receive a point for future drawings. No more than 2% of the available licenses in each hunt period are awarded to nonresident applicants. Points are reset to zero for applicants who do not apply for three consecutive years. For more information, refer to the Michigan Bear Hunting Digest.
