

2012 Lake Huron Regional Fisheries Workshops

MICHIGAN STATE UNIVERSITY | Extension

Spring fishery workshops offer current research and information related to the status of the Lake Huron fishery

Michigan Sea Grant and Michigan State University Extension, in partnership with the Department of Natural Resources Fisheries Division, USGS Great Lakes Science Center, and local fishery organizations will be hosting three evening regional workshops across Lake Huron's coastline.

Workshops are open to the public, and will provide valuable information for anglers, charter captains, resource professionals, and other community members interested in attending, including status updates on Lake Huron fish populations and angler catch data, resurgence of native species such as Lake Huron walleye, forage fish surveys and results from the ongoing Lake Huron predator diet study, updates of fisheries management activities, among other Lake Huron related topics of local interest.

Local Workshop Sponsors and Hosts:

- Lake Huron Citizens Fishery Advisory Committee
- Michigan Charter Boat Association
- Michigan Steelhead & Salmon Fisherman's Association - Thumb Chapter
- Blue Water Sportfishing Association
- Hammond Bay Area Anglers Association
- Thunder Bay Walleye Club
- Lake Huron Sportfishing, Inc.
- Les Cheneaux Sportsman's Club

Workshop Registration:

Workshops are no cost to participants, however pre-registration is requested.
