The Aquatic Resources Education Association (AREA) is a national not-for-profit association dedicated to furthering aquatic education. AREA is governed by an elected Board of Directors representing geographic regions and headed by a Chairman, elected by the Board. AREA Members include, for example,

- State aquatic education program directors, managers, and aquatic program coordinators;
- Representatives of game, fish, and wildlife departments and organizations;
- Environmental protection and conservation officials;
- Aquatic resources and sport fishing educators;
- Natural resources, parks, and youth program leaders;
- Watershed education and habitat restoration professionals;
- Federal, state, and local officials; and,
- Related organizations, groups, and private industry

AREA members participate in a national effort toward education, conservation, legislation, cooperation, science, research, information dissemination, restoration, evaluation, management, recognition, and similar functions related to aquatics and aquatic programs.

The perfect way to show your support for AREA efforts is to sponsor the conference by filling out the Sponsorship Preference form at www.michigan.gov/area, we hope to see you there!

Thank you from,

THE AREA BOARD OF DIRECTORS
