

Department of Natural Resources – Forest Resources Division

DIRECTORY OF MICHIGAN SEEDLING NURSERIES

This is a directory of Michigan nurseries that grow seedlings for forestry and wildlife plantings. The list is organized by region, but all nurseries ship statewide. The DNR Wyman Nursery grows seedlings for planting on State land only and does not sell trees to the general public. The USFS J. W. Toumey Nursery primarily grows seedlings for US Forest Service land.

Nursery	Address	Phone	Fax	Email	Website
