

# Family Adventures in Nature

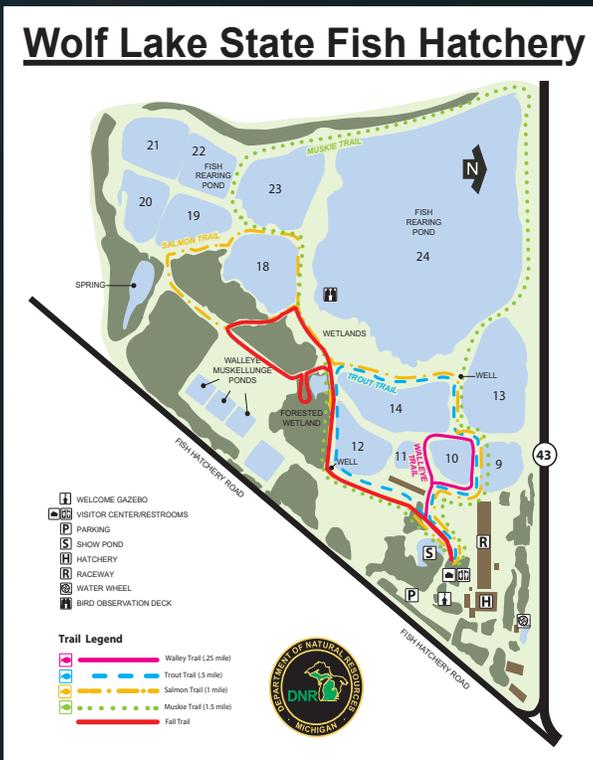

## FALL COLOR WALK

### Wolf Lake State Fish Hatchery Visitor Center

Get outside this fall with your family on our nature trails! We've created a self-guided fall color trail that is waiting for you and your family to discover. Explore as much, or as little, as you like on this one-mile trail. The marked trail will be available starting Saturday, Oct. 10.

#### Trail Information:

Use this flier or take a photo of the map which is posted at the trailhead. We will not have paper copies available. Follow the trail of brightly colored and sequentially numbered signs. Look for the red ribbons tied to the trees, so you know which ones we want you to see. There will be a few surprises along the way – watch for special clues on the signs!

### CAUGHT ON CAMERA CONTEST

Submit a photo of you and your family on the trail and enter to win a prize the whole family will enjoy!

How to participate:

1. Take a photo of you and your family at one of the stops on the trail with the sign at the stop in the photo between Oct. 10 – 31, 2020.
2. Post the photo on our Facebook page in the comment section of the weekly post for the contest.

That's it! Your photo enters you to win a family-friendly prize provided by the Friends of Wolf Lake. Winners will be chosen at random. The last date to enter a photo is Nov. 1, 2020.
