

Anglers...

Respect others...

- **Do not trespass on private property or use private docks.**
- **Yield to other users and anglers where appropriate.**
- **Let paddlers know your location.**
- **After dark wear a red light.**
- **When paddlers approach, don't move, hold your position and motion to paddlers which side to pass.**
- **Be careful with your casting, hooks are dangerous.**

Protect the Environment...

- **Please leave the river as you find it. Do not take driftwood, vegetation, or creatures.**
- **Do not cut woody debris, it is providing natural habitat.**
- **Keep the river clean, do not litter.**
- **Avoid glass or Styrofoam containers.**
- **Use only designated access sites and facilities.**
