

A Good Angler Always Does These Things:

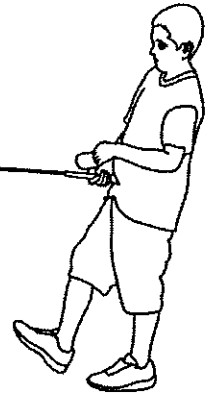

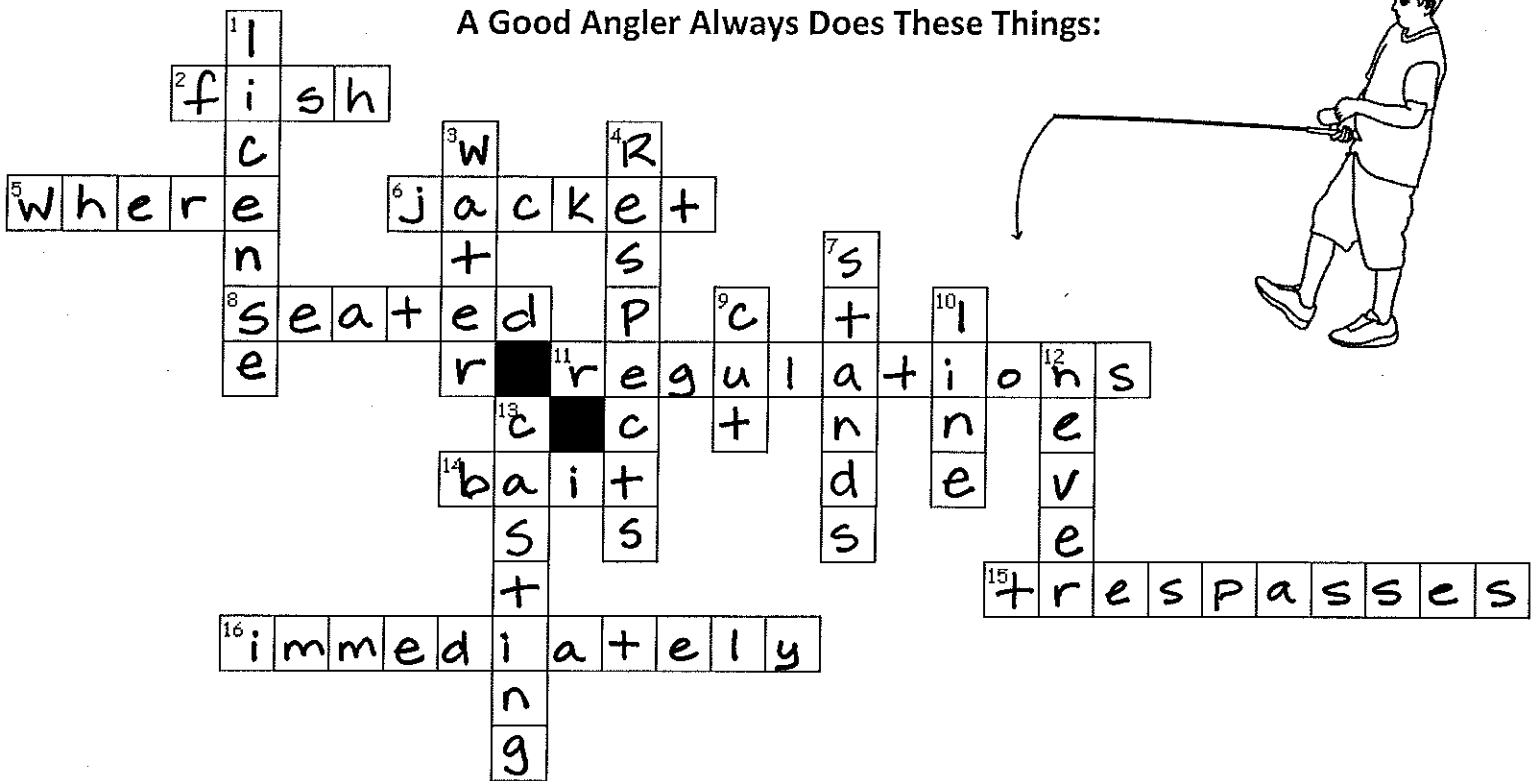

Across

2. Keeps only the ___ they want or need and never wastes fish.
5. Always lets someone know ___ they are going and when they will be back.
6. Wear your life ___ when you are on or near the water, even if you know how to swim.
8. Always stays ___ whenever a boat is in motion.
11. Follows all fishing and boating ___.
14. Doesn't release ___ or any fish into the water, unless it was just caught!
15. Respects private property and never ___.
16. Properly releases fish ___ and without harming them if they are not to be kept.

Down

1. Carries their fishing ___ and identification with them when fishing - *it's the law if you are 17 years or older!*
3. Practices safety on and around the ___.
4. ___ other anglers and doesn't crowd others where they are fishing.
7. Never ___ up in a canoe or kayak.
9. Handles fish carefully so they don't get ___ by sharp fins or spines.
10. If your ___ gets hung up, don't pull it straight back toward you but rather pull out toward the side; you could get hit by a sinker or stuck with a hook if you pull it toward you.
12. ___ litters or pollutes.
13. When you are ___, make sure there's no one too close to you or behind you; remember fish hooks are sharp and can catch your skin or an eye - just like they can a fish!
