

Sand Dune Explorer Choice Board

Choose any 3 activities

Choose a dune animal or plant and list 4 adaptations it has that help it survive in its habitat.

List what comes to mind when you hear the word sand dune and write a poem about it.

Write down how you think sand dunes formed.

Mt. Baldy is 60m tall. Measure three objects at home in meters and compare. How tall are you?

Define the word parabolic and draw a parabolic dune.

Sleeping Bear is a perched dune. What does this mean? Draw a picture with your description.

Take a handful of sand and list all the colors you see. Make a mineral= color grid? What is sand? Where did it come from?

Using a shoebox, design and create a diorama of one of the dune habitats. Include plants and animals that live in that habitat.

Watch this video of a Fowler's Toad. What do they sound like?
