

STOP THE INVASIVES

State Park Explorer Program
Holland State Park

Invasive Species Education Week: August 3 – 9

All Programs meet at the Discovery Center, located by the picnic shelter, rain or shine.

Thursday, August 6th

11am: Friend or Foe?

Come to the Explorer Tent to learn about the pesky plants and insects invading Michigan lakes and streams. Play games and take home a fish hat to color!

Friday, August 7th

7pm: Michigan Monster Hike

Meet at the Explorer Tent before hiking the trails to learn about invasive monsters in Michigan forests.

Saturday, August 8th

9 - 11am: Be a Good Steward

Have you ever wondered how you can be more involved in your local state park? Come to the picnic tables by the channel to volunteer and help park staff pull invasive species out of the sand dunes.
