

## Scouts Help Out Holly Recreation Area

On November 12 over 60 cub scouts along with several boy scouts and their adult leaders converged at Holly Recreation Area to conduct some trail maintenance and trash pick-up. Scouts from Packs 158, 286, 512, 173 and 212 with the Tall Pines Council were represented. The project was designed to fulfill community service time for rank advancement and to meet the stewardship service requirements for the Department's Conservation Stewardship Patch. All totaled the scouts put in nearly 275 hour of service time in to the project.
