UPDATED AGENDA NOTE: *In response to the COVID-19 emergency, all voting on March’s action agenda items will be postponed until the April NRC meeting. There will be no voting on any agenda items, there will be no presentations provided, the Wildlife and Fisheries Policy Committee will not be meeting, and we strongly encourage the public to submit any comment in writing instead of attending in-person. This is not only the best practice with regards to combating COVID-19, but will also ensure your comments can be shared with the other commissioners not in attendance. Thank you for your understanding and assistance as we do our best to mitigate the spread of Covid-19. We look forward to seeing you again at our NRC meetings once this emergency has passed.*
